

APPLICATION FOR THE TOWN OF SILVER CITY'S HISTORIC DESIGN REVIEW COMMITTEE

The Historic Design Review Committee's main responsibilities include designating structures as Silver City Landmark Structures and consulting with owners of designated Landmark Structures to determine if proposed internal or external modifications will compromise the historical character of the structure. The Committee reviews building permits submitted for any structure in the four historic districts to determine compliance with the design standards of the Historic Overlay District. Applicants must have a demonstrated interest in historic preservation. The three current openings have the following requirements: 1 member must be an architect with experience in the modification or restoration of historic structures, 1 member must be a building contractor with experience in the modification or restoration of historic structures, and 1 member must be a resident of one of the 4 historic districts. Terms are for two years. The members will be appointed by the Mayor with consensus of the Council.
