RE: Bid #14/15-3  
Scott Park Concession

Three bids were received for the above referenced project on December 18, 2014 at 2:00pm and opened shortly thereafter.

Upon review of the bids, Sacaton Construction is determined non-responsive. Unfortunately, funds are not available to award to the next low bid.

It is staff recommendation to reject all bids and re-bid the project.

Thank you.
