

## Silver City Fire Dept's Rules and Regulations on Banners

**Scheduling:** Banners may be scheduled and delivered with as little as 1 day's notice, however, priority is on a first come first serve basis. Events with overlapping dates may make agreements to share the space, but if no agreement is made then the first event scheduled will take priority.

**Time Limit:** A standard of 1 week will be allowed for each event. If there is no conflict with other events special arrangements may be made.

**Logistics:** Banners may be dropped off and picked up at station 1.

**Accessories:** Banners must include 4 rope leads ( 2 for each side ) and snap clips for each grommet along the top edge.

**Size:** Banners will be no larger than 36"X 25' and have a minimum length of 70' when ropes are attached and banner is centered.

**Waiver:** The Fire Dept. will make every effort to secure the banners effectively. However in the event of damage being caused to the banner itself or other property by the banner, the organization sponsoring the event will assume responsibility.
