

## **NO SKATEBOARDING ALLOWED DOWNTOWN**

Per City Ordinance granting the Town Manager authority to regulate all city properties, the following is the Town Manager's decision:

Skate boarding will be allowed on all Town of Silver City sidewalks, except for Bullard Street, from College Avenue to San Vicente Street; and on Broadway Street, from Cooper Street to Highway 90 (Hudson Street)

Skate-boarders will continue to be required to follow all Town and State of New Mexico laws for the use of skateboards. The Town Manager stresses that skate-boarders be courteous to pedestrians on sidewalks, as per the law, pedestrians have the right-of-way on these sidewalks.
