The meeting was called to order at 2:09 PM.

New Business:
MU 18-02: Mural Permit Application for 214 N Bullard Street. The applicant is owner, Todd Shelby.

Mr. Shelby presented the request. He stated that they decided to go with earthy colors to respect the palate and keep the Historic feel of the town.

He stated that the building was built in 1958 and the stucco ties into the structures. Steven asked why they decided on the goat. Mr. Shelby stated that since the pottery they make is Animalia, they would paint the goat and he likes goats.

Priscilla went over the criteria and terms of the Mural Permit. Steve added that eventually they may want to add a UV protective coating to keep from fading. He also stated that he is trying to picture the rhythm of the street as far as colors go because it does not go with historic feel but neither do a lot of other buildings downtown.

Priscilla moved to approve the application with no conditions. Maria seconded and the motion passed by a unanimous voice vote of 3/0.
