F. **Cancellation of Bonds.** Whenever any Bond is surrendered to the Paying Agent or Registrar upon payment thereof, or for transfer, exchange or replacement as provided herein, such Bond shall be promptly cancelled by the Paying Agent or the Registrar, as the case may be, and counterparts of a certificate of such cancellation shall be furnished by the Paying Agent or the Registrar, as the case may be, to the Town.

Section 11. **Securities Depository.** Except as set forth in this Ordinance, the Bonds shall be issued in book-entry form with no physical distribution of Bonds made to the public. The Depository Trust Company or any successor securities depository ("DTC") shall act as securities depository for the Bonds. A single certificate for each maturity of the Bonds shall be issued to DTC and immobilized in its custody. The book-entry system shall evidence ownership of the Bonds in principal amounts of $5,000 or integral multiples thereof, with transfers of ownership effected on the records of DTC and its participants (the "Participants") pursuant to rules and procedures established by DTC and the Participants. As a condition to delivery of the Bonds, the Purchaser shall, immediately after acceptance of delivery thereof, deposit the Bonds with DTC, registered in the name of DTC or its nominee. Principal and interest shall be paid to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to the Participants shall be the responsibility of DTC; transfer of principal and interest payment to beneficial owners of the Bonds (the "Beneficial Owners") by the Participants shall be the responsibility of the Participants and other nominees of the Beneficial Owners maintaining a relationship with the Participants. Neither the Town, the Registrar nor the Paying Agent shall be responsible or liable for maintaining, supervising or reviewing the records maintained by DTC, the Participants or persons acting through the Participants. If (i) the Bonds are not eligible for DTC services, (ii) DTC determines to discontinue providing its services with respect to the Bonds, or (iii) the Registrar determines that a continuation of the system of book-entry transfers through DTC is not in the best interest of the Registrar or the Beneficial Owners, the Registrar shall either identify another qualified securities depository or cause physical Bonds to be delivered to the Beneficial Owners or their nominees and thereupon the Beneficial Owners or their nominees, upon authentication of the Bonds and registration of the Bonds in the Beneficial Owners’ or nominees’ name, shall become the Owners of the Bonds for all purposes. Upon the occurrence of any such event, the Registrar shall mail an appropriate notice to DTC for notification to the Participants and the Beneficial Owners of the substitute depository or the issuance of Bonds to the Beneficial Owners or their nominees, as applicable. All notices and payments addressed to DTC shall contain the information required by, and sent as set forth in, the Letter of Representation executed by the Town. Notices of redemption shall be given to DTC as provided in such Letter of Representation.

Section 12. **Special Obligations.** All of the Bonds, together with the interest accruing thereon, shall be payable and collectible solely out of the Pledged Revenues, which are irrevocably so pledged. The registered owner or owners thereof may not look to any general or other fund for the payment of the principal of or interest on such obligations, except the designated special funds pledged therefor; and the Bonds shall not constitute an indebtedness or a debt within the meaning of any constitutional or statutory provision or limitation; nor shall they
be considered or held to be general obligations of the Town; and each of the Bonds shall recite that it is payable and collectible solely from the Pledged Revenues, which are so pledged, and that the Owner thereof may not look to any general or other fund for the payment of principal and interest on, and prior redemption premium due in connection with, the Bonds.

Section 13. Forms of Bonds, Certificate of Authentication and Assignment. The Bonds and the related Certificate of Authentication and Form of Assignment shall be in substantially the following forms:

The Town of Silver City, New Mexico (the “Town”), for value received, promises to pay upon presentation and surrender of this bond, solely from the special funds provided therefor as hereinafter set forth, to the registered owner named above, or registered assigns, on the Maturity Date specified above (unless this bond, if subject to prior redemption, shall have been called for prior redemption in which case on such redemption date), upon the presentation and surrender hereof at the office of the Manager/Finance Director (or successor in function) of the Town (the “Paying Agent”), the Principal Amount stated above, in lawful money of the United States of America, and to pay to the registered owner hereof as of the Regular Record Date (being the 15th day of the calendar month preceding each regularly scheduled interest payment date as defined in Ordinance No. 1184, adopted on September 13, 2011, as supplemented by Resolution No. _____, adopted on October __, 2011 (which authorizes this bond and which is referred to herein collectively as the “Bond Ordinance”), by check or draft mailed to such registered owner, on or before each interest payment date as hereinafter provided (or, if such interest payment date is not a business day, on or before the next succeeding business day without accruing any additional interest), at his address as it last appears on the Regular Record Date on the registration books kept for that purpose by the Manager/Finance Director (or successor in function) of the Town as registrar for the bonds (the “Registrar”) or by such other arrangement as may be agreed to by the
Paying Agent and the registered owner hereof, interest on said sum in lawful money of the United States of America from the Series Date specified above or the most recent interest payment date to which interest has been fully paid or duly provided for in full (as more fully provided in the Bond Ordinance) until maturity at the per annum Interest Rate specified above, payable on June 1, 2012 and semiannually thereafter on June 1 and December 1 in each year. Any such interest not so timely paid or duly provided for shall cease to be payable to the registered owner as of the Regular Record Date and shall be payable to the registered owner as of a Special Record Date (as defined in the Bond Ordinance), as further provided in the Bond Ordinance. If upon presentation and surrender to the Paying Agent at or after maturity or on a designated prior redemption date on which the Town may have exercised its right to prior redeem this bond pursuant to the Bond Ordinance, payment of this bond is not made as herein provided, interest hereon shall continue at the rate herein designated until the principal hereof is paid in full.

The bonds of the series of which this bond is a part (the “Bonds”) maturing on or after June 1, 20__ are subject to prior redemption at the option of the Town in one or more units of principal of $5,000 on and after June 1, 20__, in whole or in part at any time in such order of maturities as the Town may determine (and by lot if less than all of the Bonds of such maturity is called, such selection by lot to be made by the Registrar in such manner as it shall consider appropriate and fair), for the principal amount of each $5,000 unit so redeemed, accrued interest thereon to the redemption date. Redemption shall be made upon prior notice mailed to each registered owner of each bond selected for redemption as shown on the registration books kept by the Registrar in the manner and upon the conditions provided in the Bond Ordinance.

The Bonds are fully registered (i.e., registered as to payment of both principal and interest), and are issuable in the denomination of $5,000 or any denomination which is an integral multiple of $5,000 (provided that no bond may be in a denomination which exceeds the principal coming due on any maturity date and no individual bond shall be issued for more than one maturity).

This bond is fully transferable by the registered owner hereof in person or by his duly authorized attorney on the registration books kept by the Registrar upon surrender of this bond together with a duly executed written instrument of transfer satisfactory to the Registrar. Upon such transfer a new fully registered bond of authorized denomination or denominations of the same aggregate principal amount and maturity shall be issued to the transferee in exchange for this bond, subject to such terms and conditions as set forth in the Bond Ordinance. The Town, the Paying Agent and the Registrar may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of making payment and for all other purposes.

This bond is one of a series of bonds designated “Town of Silver City, New Mexico Gross Receipts Tax Improvement and Refunding Revenue Bonds, Series 2011” of like tenor and date, except as to interest rate, number and maturity, authorized for the purpose to (1) finance acquisition and construction of certain capital improvements for the benefit of the Town and its residents, (2) refinance, pay and discharge certain outstanding debt of the Town, and (3) pay costs of issuance of the Bonds.
This bond is issued pursuant to and in strict compliance with the Constitution and laws of the State of New Mexico.

This bond does not constitute indebtedness of the Town within the meaning of any constitutional or statutory provision or limitation, shall not be considered or held to be a general obligation of the Town, and is payable and collectible solely from the Pledged Revenues. The “Pledged Revenues” are (1) the revenues from the State gross receipts tax derived pursuant to Section 7-9-4 NMSA 1978, imposed on persons engaging in business in the State, which revenues are remitted monthly by the Revenue Division of the Taxation and Revenue Department of the State to the Town as authorized by Sections 7-1-6.1 and 7-1-6.4 NMSA 1978, and which remittances as of the date of adoption of this Bond Ordinance are equal to one and two hundred twenty-five thousandths percent (1.225%) of the taxable gross receipts reported to the Town for the month for which such remittance is made; provided that if a greater amount of such gross receipts tax revenues are hereafter provided to be remitted to the Town under applicable law, such additional amounts shall be included as revenues pledged pursuant to the Bond Ordinance; and provided further that the amount of revenues pledged pursuant to the Bond Ordinance shall never be less than the greater of: (i) 1.225% of the taxable gross receipts remitted to the Town as set forth above, or (ii) the maximum amount at any time provided hereinafter to be remitted to the Town under applicable law, and (2) the revenues from the Town’s one-eighth of one percent (1/8 of 1%) Municipal Gross Receipts Tax which is imposed on all persons engaging in business within the Town pursuant to Town Ordinance No. 722, adopted and approved on August 30, 1984, as amended by Ordinance No. 1181, adopted and approved on August 15, 2011, and as authorized by Sections 7-19D-1 through 7-19D-9 NMSA 1978; and provided further, the Town intends that Section 3-31-6(C) NMSA 1978 applies expressly to the amount of revenues pledged pursuant to the Bond Ordinance.

The bonds are equitably and ratably secured by a lien on the Pledged Revenues; and the bonds constitute an irrevocable and first lien (but not necessarily an exclusively first lien) upon the Pledged Revenues. Additional obligations may be issued and made payable from the Pledged Revenues and having a lien thereon inferior and junior to the lien, or, subject to designated conditions, having a lien thereon on a parity with the lien of the bonds of the series of which this bond is a part, in accordance with the provisions of the Bond Ordinance.

The Town covenants and agrees with the registered owner of this bond and with each and every person who may become the registered owner hereof that it shall keep and perform all of the covenants of the Bond Ordinance.

This bond is subject to the conditions, and every registered owner hereof by accepting the same agrees with the obligor and every subsequent registered owner hereof that the principal of and the interest on this bond shall be paid, and this bond is transferable, free from, and without regard to any equities between the obligor and the original or any intermediate registered owner hereof for any set-offs or cross-claims.

It is further certified, recited and warranted that all the requirements of law have been fully complied with by the Council and officers of the Town in the issue of this bond; and that it is issued pursuant to and in strict conformity with the Constitution and laws of the State of
New Mexico, and particularly the terms and provisions of Sections 3-31-1 through 3-31-12 NMSA 1978, as amended, and all laws thereunto enabling and supplemental thereto.

This bond shall not be valid or obligatory for any purpose until the Registrar shall have manually signed the certificate of authentication herein.

IN WITNESS WHEREOF, the Town of Silver City, New Mexico has caused this bond to be signed, subscribed, and executed, and attested with the manual or facsimile signatures of the Mayor and the Town Clerk, respectively; has caused its corporate seal to be affixed hereon, all as of the Series Date.

Section 14. Delivery of Bonds and Initial Registration. When the Bonds have been duly executed, authenticated, registered and sold, the Town shall deliver them to the Purchaser on receipt of the agreed purchase price. The Registrar shall initially register the Bonds in the name of “Cede & Co.”

Section 15. Disposition of Proceeds; Completion of Project. Except as herein otherwise specifically provided, the proceeds derived from the sale of the Bonds shall be used and paid solely for the valid costs of the Project.

A. Accrued Interest. Upon the sale of the Bonds, all moneys received as accrued interest, if any, shall be deposited into the Bond Fund, to apply on the payment of interest next due on the Bonds.

B. Acquisition Fund. An amount necessary from the Bonds, together with other legally available funds of the Town, shall be deposited for the payment of the costs of the Improvement Project.

C. Expenses. To the extent not paid by the Purchaser, an amount necessary, together with other legally available funds of the Town, shall be used to pay Expenses for the
Bonds, from Bond proceeds.

D. Additional Deposit. Upon the issuance and sale of the Bonds, the Town Manager/Finance Director shall cause legally available moneys to be deposited in the Acquisition Fund in such amount as he determines shall be necessary to assure that the amount of the Acquisition Fund will be sufficient to pay the costs of the Improvement Project.

E. Refunding. An amount necessary from the Bonds, together with other legally available funds of the Town, shall be transferred to the Owners of the Refunded Bonds to effectuate the Refunding Project.

F. Use of Acquisition Fund. The Acquisition Fund shall be used to pay the costs of the Improvement Project when due. As soon as practicable after completion of the Improvement Project, and in any event not more than 60 days after completion of the Improvement Project, any balance remaining in the Acquisition Fund (other than any amount retained by the Town for any Improvement Project costs not then due and payable) shall be transferred from the Acquisition Fund and deposited in the Bond Fund and used by the Town to pay principal and interest on the Bonds as same become due.

Section 16. Use of Proceeds. Except as otherwise specifically provided in this Ordinance, the proceeds derived from the sale of the Bonds shall be used and paid solely for the purposes of the Project and including any costs relating to the issuance of the Bonds.

Section 17. Purchaser Not Responsible. The validity of the Bonds is neither dependent on nor affected by the validity or regularity of any proceedings related to the completion of the Project. Neither the Purchaser nor any subsequent Owner of any Bonds shall in any manner be responsible for the application or disposal by the Town or by any officer or any employee or other agent of the Town of the moneys derived from the sale of the Bonds or of any other moneys designated in this Ordinance.

Section 18. Funds and Accounts. The Town hereby creates the following special and separate funds:

A. Acquisition Fund. The “Town of Silver City, New Mexico Gross Receipts Tax Improvement and Refunding Revenue Bonds, Series 2011, Improvement Project Acquisition Fund” to be maintained by the Town.

B. State-Shared Gross Receipts Tax Income Fund. The “Town of Silver City, New Mexico Sales Tax Income Fund” to be maintained by the Town.

D. Bond Fund. The “Town of Silver City, New Mexico Gross Receipts Tax Improvement and Refunding Revenue Bonds, Series 2011, Bond Fund” to be maintained by the Town.
E. **Reserve Fund.** The “Town of Silver City, New Mexico Gross Receipts Tax Improvement and Refunding Revenue Bonds, Series 2011, Reserve Fund” to be maintained by the Town.

Section 19. **Deposit of Pledged Revenues and Flow of Funds.**

A. **Income Funds.** So long as any of the Bonds are outstanding either as to principal or interest, or both, the Town shall credit all Pledged Revenues to the State-Shared Gross Receipts Tax Income Fund and Municipal Gross Receipts Tax Income Fund, as applicable. The following payments shall be made from the Income Funds.

B. **Bond Fund.**

   (i) As a first charge on the Municipal Gross Receipts Tax Income Fund, the following amounts shall be withdrawn from the Municipal Gross Receipts Tax Income Fund and shall be credited to the Bond Fund:

   (1) Monthly, commencing on the first day of the month immediately succeeding the delivery of the Bonds, an amount in equal monthly installments necessary, together with any other moneys therein and available therefor, to pay the next maturing installment of interest on the Bonds, and monthly thereafter, commencing on each Interest Payment Date, one-sixth (1/6th) of the amount necessary to pay the next maturing installment of interest on the Bonds then outstanding.

   (2) Monthly, commencing on the first day of the month immediately succeeding the delivery of the Bonds, an amount in equal monthly installments necessary, together with any other moneys therein and available therefor, to pay the next maturing installment of principal of the outstanding Bonds and monthly thereafter, commencing on each principal payment date, one twelfth (1/12th) of the amount necessary to pay the next maturing installment of principal on the Bonds then outstanding.

   (ii) As a first charge on the State-Shared Gross Receipts Tax Income Fund, the following amounts shall be withdrawn from the State-Shared Gross Receipts Tax Income Fund and shall be credited to the Bond Fund:

   (1) If in any given month, the Town is unable to deposit the monthly deposits required herein under Section 19(B)(1) and (B)(2) from the Municipal Gross Receipts Tax Income Fund, the Town shall draw moneys from the State-Shared Gross Receipts Tax Income Fund to satisfy the monthly requirements under Section 19(B)(1) and (B)(2) herein.

C. **Credit.** In making the deposits required to be made into the Bond Fund, if there are any amounts then on deposit in the Bond Fund available for the purpose for which such deposit is to be made, the amount of the deposit to be made pursuant to paragraphs (B) above shall be reduced by the amount available in such fund for such purpose.

D. **Transfer of Money out of Bond Fund.** Each payment of principal and interest becoming due on the Bonds shall be transferred from the Bond Fund to the Paying Agent on or before two Business Days prior to the due date of such payment.
E. **Reserve Fund.** No deposit shall be required in the Reserve Fund so long as the Pledged Revenues in each Fiscal Year equal or exceed 200% of the maximum annual principal and interest coming due in any subsequent Fiscal Year on all outstanding Parity State-Shared Gross Receipts Tax Obligations and Parity Municipal Gross Receipts Tax Obligations. If the Pledged Revenues in any Fiscal Year are insufficient to meet the test set forth in the preceding sentence, the Town shall acquire a Reserve Fund Insurance Policy in an amount equal to the Minimum Reserve or shall begin making substantially equal monthly deposits in the Reserve Fund from the first legally available Pledged Revenues so that after 24 months an amount equal to the Minimum Reserve will be held in the Reserve Fund. After funding the Reserve Fund in an amount equal to the Minimum Reserve, no additional payments need be made into the Reserve Fund so long as the moneys therein shall equal not less than the Minimum Reserve. The moneys in the Reserve Fund shall be accumulated and maintained as a continuing reserve to be used, except as hereinafter provided in paragraph (L) of this Section, only to prevent deficiencies in the payment of the principal of and interest on the Bonds resulting from failure to deposit into the Bond Fund sufficient funds to pay the principal and interest as the same accrue.

F. **Defraying Delinquencies in the Bond Fund and Reserve Fund.** If, in any month, the Town shall, for any reason, fail to pay into the Bond Fund the full amount above stipulated for the Bonds from the Pledged Revenues, then an amount shall be paid into the Bond Fund in such month from the Reserve Fund (if moneys are then on deposit in the Reserve Fund) equal to the difference between that paid from the Pledged Revenues and the full amount so stipulated. If the moneys paid into the Bond Fund from the Reserve Fund are not equal to the amount required to be paid into the Bond Fund for such month, then in the following month, an amount equal to the difference between the amount paid and the amount required shall be deposited into the Bond Fund, in addition to the normal payment required to be paid in such month, from the first Pledged Revenues thereafter received and not required to be otherwise applied. The money deposited in the Bond Fund from the Reserve Fund, if any, shall be replaced in the Reserve Fund from the first Pledged Revenues thereafter received not required to be otherwise applied. If, in any month, the Town shall, for any reason, fail to pay into the Reserve Fund the full amount required, the difference between the amount paid and the amount so stipulated shall in a like manner be paid therein from the first Pledged Revenues thereafter received and not required to be otherwise applied. The moneys in the Reserve Fund shall be used solely and only for the purpose of paying any deficiencies in the payment of the principal of and the interest on the Bonds. Cash accumulated in the Reserve Fund shall not be invested in a manner which could cause the Bonds to become arbitrage bonds within the meaning of the Code. Any investments held in the Reserve Fund shall be valued annually, on or about June 1, at their current fair market value and, if the amount then on deposit in the Reserve Fund exceeds the Minimum Reserve, all amounts in excess of such Minimum Reserve shall be transferred to the Bond Fund and used to pay principal of and interest on the Bonds.

G. **Payment of Parity Obligations.** Concurrently with the payment of the Pledged Revenues required by paragraphs (B), (E) and (F) of this Section, any amounts on deposit in the (1) Municipal Gross Receipts Tax Income Fund shall be used by the Town for the payment of principal of, interest on and debt service reserve fund deposits relating to Parity Municipal Gross Receipts Tax Obligations, payable from the Municipal Gross Receipts Tax Revenues, as the same accrue; (2) State-Shared Gross Receipts Tax Income Fund shall be used
by the Town for the payment of principal of, interest on and debt service reserve fund deposits relating to Parity State-Shared Gross Receipts Tax Obligations, payable from the State-Shared Gross Receipts Tax Revenues, as the same accrue. If funds on deposit in the Municipal Gross Receipts Tax Income Fund are not sufficient to pay when due the required payments of principal of, interest on and debt service reserve fund deposits relating to the Bonds and any other outstanding Parity Municipal Gross Receipts Tax Obligations, then the available and applicable funds in the Municipal Gross Receipts Tax Income Fund will be used, first, on a pro rata basis, based on the amount of principal and interest then due with respect to each series of outstanding Parity Municipal Gross Receipts Tax Obligations, for the payment of principal of and interest on all series of outstanding Parity Municipal Gross Receipts Tax Obligations and, second, to the extent of remaining available funds in the Municipal Gross Receipts Tax Income Fund, on a pro rata basis, based on the amount of debt service reserve fund deposits then required with respect to each series of outstanding Parity Municipal Gross Receipts Tax Obligations, for the required debt service reserve fund deposits for all series of outstanding Parity Municipal Gross Receipts Tax Obligations. If funds on deposit in the State-Shared Gross Receipts Tax Income Fund are not sufficient to pay when due the required payments of principal of, interest on and debt service reserve fund deposits relating to the Bonds and any other outstanding Parity State-Shared Gross Receipts Tax Obligations, then the available and applicable funds in the State-Shared Gross Receipts Tax Income Fund will be used, first, on a pro rata basis, based on the amount of principal and interest then due with respect to each series of outstanding Parity State-Shared Gross Receipts Tax Obligations, for the payment of principal of and interest on all series of outstanding Parity State-Shared Gross Receipts Tax Obligations and, second, to the extent of remaining available funds in the State-Shared Gross Receipts Tax Income Fund, on a pro rata basis, based on the amount of debt service reserve fund deposits then required with respect to each series of outstanding Parity State-Shared Gross Receipts Tax Obligations, for the required debt service reserve fund deposits for all series of outstanding Parity State-Shared Gross Receipts Tax Obligations.

H. Termination Upon Deposits to Maturity. No payment shall be made into the Bond Fund or the Reserve Fund if the amounts (excluding any amount in the Reserve Fund represented by a Reserve Fund Insurance Policy) in such funds total a sum at least equal to the entire aggregate amount due as to principal, premium, if any, and interest, on the Bonds to their respective maturities or applicable redemption dates, in which case moneys in the Bond Fund and the Reserve Fund in an amount at least equal to such respective principal and interest requirements shall be used solely to pay such obligations as the same accrue, and any moneys in excess thereof in the Bond Fund and the Reserve Fund may be used as provided below.

I. Payment for Subordinate Municipal Gross Receipts Tax Obligations. Subsequent to the payments required by paragraphs (B), (E), (F) and (G) of this Section, any balance remaining in the Municipal Gross Receipts Tax Income Fund, after making the payments hereinabove provided, shall be used by the Town for the payment of interest on and the principal of additional obligations, if any, hereafter authorized to be issued and payable from the Municipal Gross Receipts Tax Revenues with a lien on the Municipal Gross Receipts Tax Revenues junior or subordinate to the lien thereon of the Bonds (provided that such payments may be made at any intervals as may be provided in the ordinance or resolution authorizing such additional obligations).
J. Payment for Subordinate State-Shared Gross Receipts Tax Obligations. Subsequent to the payments required by paragraphs (B), (E), (F) and (G) of this Section, any balance remaining in the State-Shared Gross Receipts Tax Income Fund, after making the payments hereinabove provided, shall be used by the Town for the payment of interest on and the principal of additional obligations, if any, hereafter authorized to be issued and payable from the State-Shared Gross Receipts Tax Revenues with a lien on the State-Shared Gross Receipts Tax Revenues junior or subordinate to the lien thereon of the Bonds (provided that such payments may be made at any intervals as may be provided in the ordinance or resolution authorizing such additional obligations).

K. Payment from Other Sources. Notwithstanding any other provisions of this Ordinance, the Town may, in its sole discretion, choose to apply other legally available funds to the payment of the Bonds.

L. Surplus Revenues. After making all the payments hereinabove required to be made by this Section, and paying the Bond Insurer all amounts due or to become due to the Bond Insurer, the remaining Pledged Revenues, if any, may be applied to any other lawful purpose, as the Town may from time to time determine.

Section 20. General Administration of Funds. The funds designated in Section 18 shall be administered and invested as follows:

A. Places and Times of Deposits. The funds shall be separately maintained as a trust fund or funds for the purposes established and shall be deposited in one or more bank accounts in an Insured Bank or Banks. Each fund or account shall be continuously secured to the extent required by law and shall be irrevocable and not withdrawable by anyone for any purpose other than the designated purpose. Payments shall be made into the proper fund or account on the first day of the month except when the first day shall not be a Business Day, then payment shall be made on the next succeeding Business Day. No later than two Business Days prior to each Interest Payment Date, moneys sufficient to pay interest and principal then due on the Bonds shall be transferred to the Paying Agent. Nothing in this Bond Ordinance shall prevent the Town from establishing one or more bank accounts in an Insured Bank or Banks for all the funds required by this Bond Ordinance or shall prevent the combination of such funds and accounts with any other bank account or accounts or investments for other funds and accounts of the Town.

B. Investment of Moneys. Moneys in the Reserve Fund shall be invested in accordance with paragraph (C) of this Section 20 and moneys in any other fund or account not immediately needed may be invested in any Permitted Investment allowed by the laws of the State or the home-rule charter of the Town. The obligations so purchased as an investment of moneys in any fund or account shall be deemed to be part of such fund or account, and the interest accruing thereon and any profit realized therefrom shall be credited to such fund or account, and any loss resulting from such investment shall be charged to such fund or account. The Town Administrative Services Director shall present for redemption or sale on the prevailing market any obligations so purchased as an investment of moneys in the fund or account whenever it shall be necessary to do so in order to provide moneys to meet any payment or transfer from such fund.
C. **Reserve Fund.** Moneys, if any, in the Reserve Fund may be invested only in Permitted Investments with a maturity not greater than five years (except for investment agreements approved in writing by the Bond Insurer). The Town shall annually, on or about June 1 of each year, commencing on the first June 1 succeeding funding of the Reserve Fund, value the Reserve Fund on the basis of the current fair market value of deposits and investments credited to the Reserve Fund. For purposes of determining the amount on deposit in the Reserve Fund, any Reserve Fund Insurance Policy held by, or the benefit of which is available to, the Town as security for the Bonds shall be deemed to be a deposit in the face amount of the policy or the stated amount of the credit facility provided, except that, if the amount available under a Reserve Fund Insurance Policy has been reduced as a result of a payment having been made thereunder or as a result of the termination, cancellation or failure to such Reserve Fund Insurance Policy and not reinstated or another Reserve Fund Insurance Policy provided, then, in valuing the Reserve Fund, the value of such Reserve Fund Insurance Policy shall be reduced accordingly. If, upon any valuation, the value of the Reserve Fund exceeds the Minimum Reserve, the excess amount shall be withdrawn and deposited into the Bond Fund; if the value is less than the applicable requirement, the Town shall replenish such amounts from the first Pledged Revenues thereafter received not required to be otherwise applied or other monies legally available therefor.

At such time as the Bonds are paid in full or are deemed to be paid in full, the amount on deposit in the Reserve Fund may be used to pay the final installments of principal and interest on the Bonds and otherwise may be withdrawn and transferred to the Town to be used for any lawful purpose, provided that, if such amounts are used for a purpose other than payment of the Bonds, there shall be delivered an opinion of nationally recognized bond counsel that the purpose for which such funds are to be used is a lawful purpose for which such proceeds may be used under the laws of the State of New Mexico and that such use shall not result in the inclusion of interest on any Bonds in gross income of the recipient thereof for federal income tax purposes.

If moneys have been withdrawn from the Reserve Fund or a payment has been made under a Reserve Fund Insurance Policy constituting all or a portion of the Reserve Fund, and deposited into the Bond Fund to prevent a default on the Bonds, then the Town will pay, from Pledged Revenues or other monies legally available therefor, the full amount so withdrawn, together with interest, if any, required under the terms of the Reserve Fund Insurance Policy, or so much as shall be required to restore the Reserve Fund to the Minimum Reserve and to pay such interest, if any. Such repayment shall be made as required by paragraph (F) of Section 19.

The Town may in part, or in whole, replace amounts in the Reserve Fund with a Reserve Fund Insurance Policy if the Town received written consent of the Bond Insurer prior to such replacement.

Section 21. **First Lien on Pledged Revenues.** The Bonds constitute an irrevocable and first lien on the Pledged Revenues.

Section 22. **Additional Bonds and Other Obligations Payable from State-Shared Gross Receipts Tax Revenues.**
A. **Limitations Upon Issuance of Parity State-Shared Gross Receipts Tax Obligations.** Nothing in this Ordinance shall be construed in such a manner as to prevent the issuance by the Town of additional bonds or other obligations payable from the State-Shared Gross Receipts Tax Revenues and constituting a lien upon the State-Shared Gross Receipts Tax Revenues on a parity with, but not prior or superior to, the lien of the Bonds, nor to prevent the issuance of bonds or other obligations refunding all or a part of the Bonds herein authorized, provided, however, that before any such additional Parity State-Shared Gross Receipts Tax Obligations are issued including those parity lien refunding bonds and other parity lien refunding obligations which refund subordinate lien bonds and other subordinate lien obligations, but not including parity lien refunding bonds and other parity lien refunding obligations which refund outstanding Parity State-Shared Gross Receipts Tax Obligations as permitted by Sections 23(B)(i) and 23(D)(i):

(i) the Town is then current in all of the accumulations required to be made in the Bond Fund and Reserve Fund (if any) pursuant to Section 19; and

(ii) the State-Shared Gross Receipts Tax Revenues received by the Town for the Fiscal Year immediately preceding the date of issuance of such additional Parity Obligations shall have been sufficient to pay an amount representing at least 200% of the combined maximum annual principal and interest coming due in any subsequent Fiscal Year on the then Outstanding Bonds, all other then outstanding Parity State-Shared Gross Receipts Tax Obligations and the Parity State-Shared Gross Receipts Tax Obligations proposed to be issued (excluding any reserves therefor); provided that if such additional Parity State-Shared Gross Receipts Tax Obligations are issued as variable rate obligations, the highest interest rate allowed by the instruments authorizing such additional Parity State-Shared Gross Receipts Tax Obligations shall be used in making such calculation.

B. **Certification or Opinion Regarding State-Shared Gross Receipts Tax Revenues.** A written certificate or opinion by the Town Manager/Finance Director that the State-Shared Gross Receipts Tax Revenues are sufficient to pay the required amounts under the test in paragraph (A) of this Section, shall conclusively determine the right of the Town to issue additional Parity State-Shared Gross Receipts Tax Obligations. The Town Administrative Services Director may utilize the results of any annual audit to the extent it covers the applicable period.

C. **Subordinate Obligations Permitted.** Nothing in this Ordinance contained shall be construed in such a manner as to prevent the issuance by the Town of additional bonds or other obligations payable from the State-Shared Gross Receipts Tax Revenues and constituting a lien upon the State-Shared Gross Receipts Tax Revenues subordinate, inferior and junior to the lien on the Bonds.

D. **Superior Obligations Prohibited.** Nothing herein contained shall be construed so as to permit the Town to issue bonds or other obligations payable from the State-Shared Gross Receipts Tax Revenues having a lien thereon prior and superior to the Bonds.

Section 23. **Refunding Bonds.** The provisions of Section 22 are subject to the following exceptions:
A. **Privilege of Issuing Refunding Obligations.** If at any time after the Bonds, or any part thereof, shall have been issued and remain outstanding, the Town shall find it desirable to refund any outstanding bonds or other outstanding obligations payable from the State-Shared Gross Receipts Tax Revenues, such bonds or other obligations, or any part thereof, may be refunded (but only with the consent of the registered owner or owners thereof, unless the bonds or other obligations, at the time of their required surrender for payment, shall then mature, or shall then be callable for prior redemption at the Town’s option), regardless of whether the priority of the lien for the payment of the refunding obligations on the State-Shared Gross Receipts Tax Revenues is changed (except as provided in Sections 22(C) or 22(D)).

B. **Limitations Upon Issuance of Parity Refunding Obligations.** No refunding bonds or other refunding obligations payable from the State-Shared Gross Receipts Tax Revenues shall be issued on a parity with the Bonds, unless:

(i) The lien on the State-Shared Gross Receipts Tax Revenues of the outstanding obligations so refunded is on a parity with the lien thereon of the Bonds; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 22(A).

C. **Refunding Part of an Issue.** The refunding bonds or other obligations so issued shall enjoy complete equality of lien with the portion of any bonds or other obligations of the same issue which is not refunded, if any there be; and the registered owner or owners of such refunding bonds or such other refunding obligations shall be subrogated to all of the rights and privileges enjoyed by the registered owner or owners of the bonds or other obligations of the same issue refunded thereby.

D. **Limitations Upon Issuance of any Refunding Obligations.** Any refunding bonds or other refunding obligations payable from the State-Shared Gross Receipts Tax Revenues shall be issued with such details as the Town may by ordinance provide, but without any impairment of any contractual obligations imposed upon the Town by any proceedings authorizing the issuance of any unrefunded portion of such outstanding obligations of any one or more issues (including, without limitation, the Bonds). If only a part of the outstanding Bonds and any other outstanding obligations of any issue or issues payable from the State-Shared Gross Receipts Tax Revenues is refunded, then such obligations may not be refunded without the consent of the registered owner or owners of the unrefunded portion of such obligations, unless:

(i) The refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest requirements evidenced by such refunding obligations and by the outstanding obligations not refunded on and prior to the last maturity date of such unrefunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 22(A); or

(iii) The lien on the State-Shared Gross Receipts Tax Revenues for the payment of the refunding obligations is subordinate to each such lien for the payment of any obligations not refunded.
Section 24. **Additional Bonds and Other Obligations Payable from Municipal Gross Receipts Tax Revenues.**

A. **Limitations Upon Issuance of Parity Municipal Gross Receipts Tax Obligations.** Nothing in this Ordinance shall be construed in such a manner as to prevent the issuance by the Town of additional bonds or other obligations payable from the Municipal Gross Receipts Tax Revenues and constituting a lien upon the Municipal Gross Receipts Tax Revenues on a parity with, but not prior or superior to, the lien of the Bonds, nor to prevent the issuance of bonds or other obligations refunding all or a part of the Bonds herein authorized, provided, however, that before any such additional Parity Municipal Gross Receipts Tax Obligations are issued including those parity lien refunding bonds and other parity lien refunding obligations which refund subordinate lien bonds and other subordinate lien obligations, but not including parity lien refunding bonds and other parity lien refunding obligations which refund outstanding Parity Municipal Gross Receipts Tax Obligations as permitted by Sections 25(B)(i) and 25(D)(i):

(i) the Town is then current in all of the accumulations required to be made in the Bond Fund and Reserve Fund (if any) pursuant to Section 19; and

(ii) the Municipal Gross Receipts Tax Revenues received by the Town for the Fiscal Year immediately preceding the date of issuance of such additional Parity Municipal Gross Receipts Tax Obligations shall have been sufficient to pay an amount representing at least 200% of the combined maximum annual principal and interest coming due in any subsequent Fiscal Year on the then Outstanding Bonds, all other then outstanding Parity Municipal Gross Receipts Tax Obligations and the Parity Municipal Gross Receipts Tax Obligations proposed to be issued (excluding any reserves therefor); provided that if such additional Parity Municipal Gross Receipts Tax Obligations are issued as variable rate obligations, the highest interest rate allowed by the instruments authorizing such additional Parity Municipal Gross Receipts Tax Obligations shall be used in making such calculation.

B. **Certification or Opinion Regarding Municipal Gross Receipts Tax Revenues.** A written certificate or opinion by the Town Manager/Finance Director, that the Municipal Gross Receipts Tax Revenues are sufficient to pay the required amounts under the test in paragraph (A) of this Section, shall conclusively determine the right of the Town to issue additional Parity Municipal Gross Receipts Tax Obligations. The Town Manager/Finance Director may utilize the results of any annual audit to the extent it covers the applicable period.

C. **Subordinate Obligations Permitted.** Nothing in this Ordinance contained shall be construed in such a manner as to prevent the issuance by the Town of additional bonds or other obligations payable from the Municipal Gross Receipts Tax Revenues and constituting a lien upon the Municipal Gross Receipts Tax Revenues subordinate, inferior and junior to the lien on the Bonds.

D. **Superior Obligations Prohibited.** Nothing herein contained shall be construed so as to permit the Town to issue bonds or other obligations payable from the Municipal Gross Receipts Tax Revenues having a lien thereon prior and superior to the Bonds.
Section 25. **Refunding Bonds.** The provisions of Section 24 are subject to the following exceptions:

A. **Privilege of Issuing Refunding Obligations.** If at any time after the Bonds, or any part thereof, shall have been issued and remain outstanding, the Town shall find it desirable to refund any outstanding bonds or other outstanding obligations payable from the Municipal Gross Receipts Tax Revenues, such bonds or other obligations, or any part thereof, may be refunded (but only with the consent of the registered owner or owners thereof, unless the bonds or other obligations, at the time of their required surrender for payment, shall then mature, or shall then be callable for prior redemption at the Town’s option), regardless of whether the priority of the lien for the payment of the refunding obligations on the Municipal Gross Receipts Tax Revenues is changed (except as provided in Sections 24(C) or 24(D)).

B. **Limitations Upon Issuance of Parity Refunding Obligations.** No refunding bonds or other refunding obligations payable from the Municipal Gross Receipts Tax Revenues shall be issued on a parity with the Bonds, unless:

(i) The lien on the Municipal Gross Receipts Tax Revenues of the outstanding obligations so refunded is on a parity with the lien thereon of the Bonds; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 24(A).

C. **Refunding Part of an Issue.** The refunding bonds or other obligations so issued shall enjoy complete equality of lien with the portion of any bonds or other obligations of the same issue which is not refunded, if any there be; and the registered owner or owners of such refunding bonds or such other refunding obligations shall be subrogated to all of the rights and privileges enjoyed by the registered owner or owners of the bonds or other obligations of the same issue refunded thereby.

D. **Limitations Upon Issuance of any Refunding Obligations.** Any refunding bonds or other refunding obligations payable from the Municipal Gross Receipts Tax Revenues shall be issued with such details as the Town may by ordinance provide, but without any impairment of any contractual obligations imposed upon the Town by any proceedings authorizing the issuance of any unfunded portion of such outstanding obligations of any one or more issues (including, without limitation, the Bonds). If only a part of the outstanding Bonds and any other outstanding obligations of any issue or issues payable from the Municipal Gross Receipts Tax Revenues is refunded, then such obligations may not be refunded without the consent of the registered owner or owners of the unfunded portion of such obligations, unless:

(i) The refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest requirements evidenced by such refunding obligations and by the outstanding obligations not refunded on and prior to the last maturity date of such unfunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 24(A); or
The lien on the Municipal Gross Receipts Tax Revenues for the payment of the refunding obligations is subordinate to each such lien for the payment of any obligations not refunded.

Section 26. **Equality of Bonds.** No Bond shall be entitled to any priority over another in the application of the Pledged Revenues, regardless of the time or times of their issuance, it being the intention of the Council that there shall be no priority among the Bonds regardless of the fact that they may be actually issued and delivered at different times.

Section 27. **Protective Covenants.** The Town covenants and agrees with each and every registered owner of the Bonds that, so long as any of the Bonds remains Outstanding:

A. **Use of Bond Proceeds.** The Town, with the proceeds derived from the sale of the Bonds, shall proceed without delay to carry out the Project as herein provided.

B. **Payment of Bonds.** The Town shall promptly pay the principal of and the interest of every Bond at the place, on the dates and in the manner specified herein and in the Bonds according to the true intent and meaning hereof. Such principal and interest are payable solely from the Pledged Revenues; provided that nothing herein shall prevent the Town, in its discretion, from paying such principal and interest from any other legally available funds.

C. **Records.** The Town shall keep books of record and account, separate and apart from all other records and accounts, showing complete and correct entries of all transactions relating to the Pledged Revenues.

D. **Audits.** The Town shall, within 270 days following the close of each Fiscal Year, cause an audit of such books and accounts related to the Pledged Revenues to be made by an Independent Accountant unless the audit cannot be conducted within 270 days following the close of each Fiscal Year because the State Auditor or other authority of the State with superintending control of the audit directs that the audit be made by a designated auditor under different time deadlines or by the State Auditor’s office and staff, in which case, the Town will use its best efforts to have the audit completed as soon as possible following the close of the Fiscal Year.

E. **Extending Interest Payments.** In order to prevent any accumulation of claims for interest after maturity the Town shall not directly or indirectly, extend or assent to the extension of the time for payment of any claim for interest on any of the Bonds, and it shall not directly or indirectly be a party to or approve any arrangement for such extension or for the purpose of keeping alive any of said interest and in case the time for payment of any such interest shall be extended, such installment or installments of interest after such extension or arrangement shall not be entitled in case of default hereunder to the benefit or security of this Ordinance except subject to the prior payment in full of the principal of all Bonds then outstanding, and of matured interest on such Bonds the payment of which not been extended.

F. **Performing Duties.** The Town shall faithfully and punctually perform all duties with respect to the Bonds required by Constitution and laws of the State of New Mexico, and ordinances and resolutions of the Town, including but not limited to the proper segregation of the Pledged Revenues and their application to the respective funds and accounts.
G. **Other Liens.** Other than as described in this Ordinance, there are no liens or encumbrances of any nature, whatsoever, on or against the Pledged Revenues.

H. **Duty with Respect to Pledged Revenues.** If the statutes or any ordinance which materially affects the Pledged Revenues or any part of such ordinances shall ever be held to be invalid or unenforceable, the Town shall immediately take any action necessary to produce sufficient Pledged Revenues to comply with the contracted obligations of this Ordinance, except as is provided in Section 27(I).

I. **Impairment of Contract.** Any law or ordinance or resolution of the Town in any manner affecting the Pledged Revenues or the Bonds, or otherwise appertaining thereto, shall not be repealed or otherwise directly or indirectly modified, in such a manner as to impair adversely any Bonds Outstanding, unless the consent of the required percentage of the Owners of the then Outstanding Bonds is obtained pursuant to Section 36.

J. **Town’s Existence.** The Town shall maintain its corporate identity and existence unless another political subdivision by operation of law succeeds to the duties, privileges, powers, liabilities, disabilities, immunities and rights of the Town, and is obligated by law to receive and distribute the Pledged Revenues in place of the Town, without affecting to any substantial degree the privileges and rights of any Owner.

K. **Tax Covenant.** The Town shall not take any action or omit to take any action with respect to the Bonds, the proceeds thereof, any other funds of the Town or any facilities financed with the proceeds of the Bonds if such action or omission: (i) would cause the interest on the Bonds to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Code; or (ii) would cause interest on the Bonds to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Code except to the extent such interest is required to be included in the adjusted current earnings adjustment applicable to corporations under Section 56 of the Code in calculating corporate alternative minimum taxable income. This Section 27(K) shall remain in full force and effect notwithstanding the payment in full or defeasance of the Bonds until the date on which all obligations of the Town in fulfilling the above covenant under the Code have been met.

Section 28. **Defeasance.** When all principal, any applicable prior redemption premium, and interest in connection with the Bonds have been duly paid, the pledge and lien and all obligations hereunder shall thereby be discharged and the Bonds shall no longer be deemed to be Outstanding within the meaning of this Ordinance. There shall be deemed to be such due payment as to any Bond when the Council has placed in escrow and in trust with a commercial bank located within or without the State and exercising trust powers, an amount sufficient (including the known minimum yield from Federal Securities in which such amount may initially be invested) to meet all requirements of principal, interest and any applicable prior redemption premium as the same become due to its maturity or designated redemption date as of which the Town shall have exercised or obligated itself to exercise its option to call such Bond. The Federal Securities shall become due prior to the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the Council and such bank at the time of the creation of the escrow or the Federal Securities shall be subject to the redemption at the option of the holders thereof to assure such availability as so needed to
meet such schedule. Federal Securities within the meaning of this Section 28 shall include only direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America and which are not callable prior to maturity by the issuer of such obligations.

Section 29. Delegated Powers. The officers of the Town be, and they hereby are, authorized and directed to take all action necessary or appropriate to effectuate the provisions of the Bond Ordinance, including, without limiting the generality of the foregoing, the publication of the summary of publication set out in Section 39 of the Bond Ordinance (with such changes, additions and deletions as they may determine), the distribution of material relating to the Bonds, the printing of the Bonds, the printing, execution and distribution of a Preliminary and final Official Statement, and the execution and delivery of the Bond Purchase Agreement, the Continuing Disclosure Undertaking and of such certificates as may be required by the Purchaser, the Bond Purchase Agreement, or bond counsel. The use and distribution of the Preliminary Official Statement and the Official Statement in connection with the sale of the Bonds to the public is hereby ratified, authorized, approved and acknowledged.

Section 30. Events of Default. Each of the following events is an “Event of Default”:

A. Nonpayment of Principal. Any payment of the principal of any of the Bonds is not made when due and payable, either at maturity, upon acceleration, by proceedings for prior redemption, or otherwise.

B. Nonpayment of Interest. Any payment of any installment of interest on the Bonds is not made when the same becomes due and payable or within 30 days thereafter.

C. Default of any Provision. Any failure by the Town to observe or perform any covenant, condition or agreement on its part to be observed or performed (other than as referred to in Section 30(A) or Section 30(B)), which failure continues for a period of 60 days after written notice specifying the failure and requesting that it be remedied has been given to the Town by the Owners of 25% in principal amount of the Bonds then Outstanding.

D. Bankruptcy or Insolvency of Town. (1) The Town shall (a) apply for or consent to the appointment of or the taking of possession by, a receiver, custodian, trustee, liquidator or the like of the Town or of all or a substantial part of its property, (b) commence a voluntary case under the Federal Bankruptcy Code, or (c) file a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, or reorganization or (2) a proceeding or case shall be commenced, without application or consent of the Town, in any court of competent jurisdiction seeking (a) the liquidation, reorganization, dissolution, winding-up or adjustment of debts of the Town, (b) appointment of a trustee, receiver, custodian, liquidator or the like of the Town or of all or a substantial part of its assets, or (c) similar relief in respect of the Town under any law relating to bankruptcy, insolvency, reorganization, winding-up or adjustment of debts.

Section 31. Remedies Upon Default. Upon the occurrence and during the continuance of any Event of Default, the Owners of not less than 25% in principal amount of the Bonds then Outstanding, including but not limited to a trustee or trustees therefor, may proceed
against the Town, the Council, and its agents, officers and employees to protect and enforce the rights of any Owner under this Ordinance by mandamus or other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for specific performance of any covenant or agreement contained herein or in an award or execution of any power herein granted for the enforcement of any power, legal or equitable remedy as such Owners may deem most effectual to protect and enforce the rights aforesaid, or thereby to enjoin any act or thing which may be unlawful or in violation of any right of any registered owner, or to require the Council to act as if it were the trustee of an express trust, or any combination of such remedies. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Owners of the Bonds then Outstanding. The failure of any Owner so to proceed shall not relieve the Town or any of its officers, agents or employees of any liability for failure to perform any duty. Each right or privilege or any Owner (or trustee thereof) is in addition and cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of any Owner shall not be deemed a waiver of any other right or privilege thereof.

Section 32. Duties Upon Default. Upon the occurrence and during the continuance of any Event of Default, the Town shall do and perform all proper acts on behalf of and for the Owners to protect and preserve the security created for the payment of the principal of and interest on the Bonds promptly as the same become due. In the event the Town fails or refuses to proceed as provided in this Section 32, the registered Owners of not less than 25% in principal amount of the Bonds then Outstanding, after demand in writing, may proceed to protect and enforce the rights of the Owners as hereinabove provided.

Section 33. Federal Tax Matters.

A. Qualified Tax-Exempt Obligations. The Bonds are hereby designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. The Town has no "subordinate entities" with authority to issue tax-exempt obligations within the meaning of that Section of the Code. In that connection, the Council hereby covenants that the Council in or during the calendar year in which the Bonds are issued, (i) will not designate as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Code tax-exempt obligations, including the Bonds, in an aggregate principal amount in excess of ten million dollars and (ii) will not issue tax-exempt obligations within the meaning of Section 265(b)(4) of the Code, including the Bonds and any qualified 501(c)(3) bonds as defined in Section 145 of the Code (but excluding obligations, other than qualified 501(c)(3) bonds, that are private activity bonds as defined in Section 141 of the Code), in an aggregate principal amount exceeding ten million dollars.

B. Tax Compliance. The Town (a) will take or cause to be taken such actions which may be required of it for the interest on the Bonds to be and remain excludable from gross income for federal income tax purposes, and (b) will not take or permit to be taken any actions which would adversely affect that exclusion, and that it or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield on investment property acquired with those proceeds, (iii) make timely rebate payments to the federal government from the Rebate Fund, if required, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses

-32-
of proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code. The Mayor and other appropriate officers are hereby authorized and directed to take any and all actions, make calculations and rebate payments, and make or give reports and certifications, if any, as may be required or appropriate to assure such exclusion of that interest.

C. Rebate Fund. In furtherance of the covenants set forth in the preceding paragraph, the Town hereby establishes a fund separate from any other funds established and maintained hereunder designated as the Rebate Fund (the "Rebate Fund"). Money and investments in the Rebate Fund shall not be used for the payment of the Bonds and amounts credited to the Rebate Fund shall be free and clear under any pledge under this Bond Ordinance. Money in the Rebate Fund shall be invested pursuant to the procedure that in a manner provided in Section 20 for investment of money, and all amounts on deposit in the Rebate Fund shall be held by the Town, or a designated trustee, in trust, to the extent required to pay rebatable arbitrage to the United States of America. The Town shall unconditionally be entitled to accept and rely upon the recommendation, advice, calculation and opinion of an accounting firm or other person or firm with knowledge of or experience in advising with respect to the provisions of the Code relating to rebatable arbitrage. The Town shall remit all rebate installments and the final rebate payment to the United States of America as required by the provisions of the Code. Any moneys remaining in the Rebate Fund after redemption and payment of all the Bonds and payment and satisfaction of any rebatable arbitrage shall be withdrawn and remitted first to the Bond Insurer to the extent of any amounts owed to the Bond Insurer and then to the Town.

Section 34. Severability. If any section, paragraph, clause or provision shall be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance.

Section 35. Repealer Clause. All ordinances or resolutions or parts of ordinances or resolutions inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any ordinance or resolution or part of any ordinance or resolution heretofore repealed.

Section 36. Amendment. This Ordinance may be amended without the consent of the holder of any Bond to cure any ambiguity, or to cure, correct or supplement any defect or inconsistent provision contained herein, to add to the covenants and agreements in this Ordinance for the protection or benefit of the Owners, to subject to this Ordinance additional revenues, properties or collateral, to comply with the provisions of the Code, or to comply with any rule or regulation of the Securities and Exchange Commission relating to the Bonds. Except as provided above, this Ordinance may be amended or supplemented by ordinance adopted by the Council in accordance with the laws of the State, without receipt by the Town of any additional consideration but with the written consent of the Owners of 75% of the Bonds Outstanding at the time of the adoption of such amendatory or supplemental ordinance; provided, however, that no such ordinance (without the consent of the registered owners of all of the Bonds authorized by this Ordinance and outstanding at the time of adoption of such amendatory or supplemental ordinance) shall have the effect of permitting:

(i) An extension of the maturity of any Bond; or
(ii) A reduction in the principal amount of any Bond, the rate of interest thereon or the prior redemption premium due in connection therewith; or

(iii) The creation of a lien upon or pledge of Pledged Revenues ranking prior to the lien or pledge created by this Ordinance; or

(iv) A reduction of the principal amount of Bonds required for consent to such amendatory or supplemental ordinance; or

(v) The establishment of priorities as between Bonds issued and outstanding under the provisions of this Ordinance; or

(vi) The modification of or otherwise affecting the rights of the registered owners of less than all of the Bonds then outstanding.

Notwithstanding the foregoing, prior to the issuance of the Bonds, this Ordinance may be amended by resolution of the Town Council to cure, correct or supplement any defect or inconsistent provision contained herein.

Section 37. Payment Due on Other Than Business Days. In any case where the date of payment of principal, premium, if any, or interest on the Bonds or the date fixed for redemption of any Bonds, or the date for performing any act or exercising any right, shall be a day other than a business day, then payment of interest or principal and premium, if any, or the performance of such act or exercise of such right need not be made on such date but may be made on the next succeeding business day with the same force and effect as if it had been made on the date scheduled for such payment, performance, or exercise.

Section 38. Ordinance Irrepealable. After any of the Bonds are issued, this Ordinance shall be and remain irrepealable until the Bonds and interest thereon shall be fully paid, cancelled and discharged as therein provided, or have been deemed paid as provided in Section 28.

Section 39. Publication of Ordinance. The following notice shall be published one time in the Silver City Daily Press, being a legal newspaper published and of general circulation in the Town, as soon as is practicable following the adoption hereof:
