MainStreet

Biennial Memorandum of Understanding (MOU)

July 1, 2017 – June 30, 2019

Between

**New Mexico MainStreet Program,
The City of Silver City and Silver City MainStreet**

The state of New Mexico's Economic Development Department seeks to increase the number of jobs and businesses, sustain and expand existing businesses, mitigate commercial leakage, support local entrepreneurs in start-ups, and improve property values within traditional and historic commercial districts. To that end, it has dedicated resources, professional assistance and services to partnering municipalities and a local non-profit organization representing stakeholders within the designated commercial district through the New Mexico MainStreet, New Mexico Arts & Cultural District, Frontier Communities Initiative and Historic Theaters Initiative programs. The partners of this MOU agree to dedicate collaborative resources, adopt local governing body economic growth and revitalization tools, and establish economic development funding for operations and program implementation to restore economic vitality within the MainStreet economic redevelopment district.

New Mexico MainStreet (NMMS) is a designated "Main Street America Coordinating Program" of the National Main Street Center, Inc. (NMSC), a program of the National Trust for Historic Preservation. The New Mexico Economic Development Department (NMEDD) is licensed and accredited annually to administer the NMSC's *Main Street Four-Point Approach*® downtown revitalization. It does so through NMSC's "Economic Transformation Strategies." The New Mexico MainStreet (NMMS) program is an economic development partnership program with local, eligible communities. NMEDD, by New Mexico State Statute (3-60B-1 to 3-60B-4 NMSA 1978, as amended 2013), is authorized to select programs to participate in the Accelerator Process based on the standards and principles set forth by the NMSC and when legislative appropriation allows. Local partners (the local revitalization organization and the local governing body), join their resources (human, social and financial) to directly support the economic development of the district.

As a NMSC Main Street America Coordinating Program, NMMS provides local designated state MainStreet organizations, revitalization partners and local governing body partners with resources, training, and technical services that enhance local culture and heritage, and build the economic vitality of each participating community's downtown, village plaza, town center, courthouse square, historic commercial corridor or traditional neighborhood central business district.

The local government partner (municipal, county or tribal government) financially supports the work of community economic development partnership within the dedicated MainStreet district for both operations and program implementation through a services contract with the local, state-designated MainStreet organization.

The local MainStreet organization is an economic development organization comprised of downtown stakeholders, whose programs, projects, and activities enhance the local downtown economy and contribute to the quality of life of its citizens. The organization builds local partnerships to leverage resources and buy-in for the revitalization of the district.

This MOU commits partners to the criteria defined in New Mexico MainStreet Program Guidelines (Attachment 1).

NMMS is responsible for coordinating and orchestrating resources, services and professional technical assistance to state designated local MainStreet organizations and revitalization partners through the following programs and initiatives:

- A. New Mexico MainStreet Revitalization Program Tiers. As local state designated MainStreet organizations build capacity, and are able to take on more complex revitalization projects, additional resources become available for their economic development projects.

New Mexico MainStreet Program Guidelines for July 1, 2017 through June 30, 2019

I. Background

Mission: The New Mexico MainStreet Program fosters economic development in the state by supporting local MainStreet revitalization organizations and their local government partner and their economic work in downtowns and the adjacent neighborhoods. The Program provides resources, education, training and services for asset-based economic growth that builds local knowledge and skills based on the Main Street Four Point Approach®, which preserves and enhances the built environment, supports district businesses and entrepreneur development, and conserves and interprets local culture and heritage resulting in increased economic vitality of each participating partnerships local MainStreet district.

New Mexico MainStreet (NMMS) is a designated “Main Street America Coordinating Program” of the National Main Street Center, Inc. (NMSC), a subsidiary of the National Trust for Historic Preservation. The New Mexico Economic Development Department (NMEDD) is licensed and accredited annually by NMSC to administer and manage the Main Street Center’s registered trademark revitalization program in New Mexico providing services, resources and technical assistance to help implement the *Main Street Four-Point Approach®* to local organizations.

NMMS is delegated by state statute (NMSA 1978, 3-60B-1 to 3-60B-4), and through NMEDD, to assist communities in building capacity in community economic development that creates jobs, supports commercial property owners, mitigates leakage, grows businesses, encourages entrepreneurs, benefits the local economy, and raises the quality of life for its residents. The NMMS program was launched in 1984 and accepted its first designated organizations in 1985. NMMS is responsible for coordinating and orchestrating resources, services, and professional technical assistance to its organizations via several programs and initiatives. For more information, visit the NMMS website: www.nmmainstreet.org.

II. New Mexico MainStreet Network Members & Benefits

The MainStreet program, and the other programs housed inside NMMS, are established as public-private, community economic development partnership programs dedicated to revitalization and economic growth of traditional and/or historic commercial centers. NMMS has established several tiers of participation for organizations. Designation as a MainStreet community is through application to NMMS and successful completion of a Readiness Assessment by the state program. NMMS provides technical assistance and support to communities concurrent with their program designation or authorization. Those include:

1. **NMMS Revitalization Partner:** A NMMS Revitalization Partner may consist of an organization, coordinating council, or association focused on asset-based community economic development in a traditional or historic commercial area with a specific priority around creative economy work, a cultural facility, cultural corridor, revitalization planning, and/or economic development catalytic project. This includes NMMS “State Authorized” or “Municipally Designated” Arts & Cultural Districts, and communities

under the Frontier, Historic Theaters and Cultural & Heritage Corridor Initiatives, or other programs that NMEDD or the New Mexico State Legislature may delegate under the NMMS umbrella. Communities with more than 7,500 residents that do not qualify for Frontier Community designation may apply to be a Revitalization Partner. Generally, Arts & Cultural Districts/Compounds and Historic Theaters projects may exist in perpetuity as long as the program maintains good standing with NMMS in programmatic performance and compliance areas. Duration of the membership for all other Revitalization Partners recognized by NMMS, including Frontier Community Initiatives, is for the length of the revitalization project, while maintaining the benchmarks appropriate to the tier and/or program requirements.

Benefits available to NMMS Revitalization Partners:

- Access to the e-Newsletter and network list serves for the appropriate project or initiative.
- Discounted basic registration for appropriate network meetings for up to 2 leadership members (meal or other ancillary costs may be assessed). Additional attendees may be charged a registration fee.
- Discounted basic registration for the biannual Building Creative Communities Conference.
- Technical professional assistance for one project as identified in a Letter of Agreement (LOA), MOU or Scope of Services for the program or initiative executed with NMMS; Arts & Cultural Districts/Compounds qualify for one technical assistance service each year. Services to Arts & Cultural Districts and Historic Theaters are requested via appropriate Service Request Form.

Limitations:

- Revitalization Partners are not registered as members with the NMSC.
- Other NMSC/NMMS network benefits and/or scholarships for conferences or workshops are not available.

2. ***NMMS Accelerator Process Designate:*** When Legislative funding to NMMS allows for new communities to be considered in the Main Street America program, a competitive application process will be opened by NMMS for a community revitalization group or steering committee to apply, receive a Readiness Assessment conducted by NMMS staff and consultants, be reviewed and ranked, and if eligibility criteria are met, may be selected for participation in the Accelerator process as a pathway to Main Street America designation. Those aspiring revitalization programs that have a dedicated history of at least 6 months of attendance at NMMS workshops, webinars, trainings and quarterlies will be allowed to apply. Frontier Community participants are encouraged to apply for and successfully complete two successive Frontier Community projects prior to applying for participation in the Accelerator process.

Application for the Accelerator process must include a resolution of support by a local government partner indicating philosophical and financial support for the Accelerator, and if graduating, local Main Street program. If selected, a stakeholder group will form a steering committee responsible for the process and that will receive Accelerator services, an intensive 18-month maximum capacity-building process establishing a pathway to the NMSC Main Street America program. Failure to complete Accelerator benchmarks within the maximum 18-month period may result in the organization being placed in the Revitalization Partner tier or given the option to leave the network. Accelerator process designees receive these additional benefits:

- Comprehensive education, coaching and capacity-building assistance to establish a nonprofit revitalization organization for the purpose of advancing economic revitalization of the traditional or historic commercial district.

- All other conferences, institutes and advanced trainings at set fee cost to local Accelerator designate leaders and members.

Limitations:

- Accelerator Process Designees are not registered as members with the NMSC.

Upon successful completion of required Accelerator process benchmarks within an 18-month period, the organization may be designated a Main Street America Affiliate or Accredited program.

3. **Main Street America Affiliate™:** As the NMSC state licensed and accredited state coordinating program, NMMS may award the Main Street America Affiliate™ designation for programs that have demonstrated a commitment to comprehensive Main Street District economic growth and revitalization and are on the pathway to achieving meaningful economic, social, physical and organizational improvements in their downtown or commercial districts.

III. Economic Transformation Strategies and Community Revitalization

The local MainStreet organization is required to set three (3) NMMS-approved Economic Transformation Strategies (ETS) for the District based on one of the adopted economic development plans. Of the three ETS, one should be dedicated to organizational capacity building and is not directly related to specific economic development goals. An annual work plan is developed based on the three (3) ETS. All work in the "Main Street Four-Point Approach®" (Organization, Design, Promotion, and Economic Vitality), should directly support outcomes established under the ETS strategies. Work teams, task forces or committees are established in each of the Four Points to implement projects that advance each strategy.

The prime focus of the annual performance assessment of each local organization will be based on the positive outcomes of the board and staff in meeting performance metrics in the annual work plan related to each ETS strategy and the engagement of each of the Four Points by the organization in meeting each strategy.

ETS strategies should be concrete, specifically defined, and doable with the existing resources of the local organization. Local resources include volunteers established as committees or work teams, funding, and adopted revitalization and redevelopment tools necessary for successful completion of each of the annual strategies.

Requests for NMMS services, resources and support are for achieving these annual economic development strategies.

Annual strategies are derived from:

- For communities admitted to the NMMS **Accelerator** process, the NMMS Readiness Assessment and/or Resource Team Report.
- For **Main Street America Affiliate or Accredited programs, or State Authorized Arts & Cultural Districts** having completed their Start-Up phase, the adopted District Cultural Economic Development Plan, District Master Plan or Metropolitan Redevelopment Area Plan.

Based on designation of the local organization as a Main Street America Affiliate or Main Street America Accredited program, NMMS will provide professional assistance and support through the Main Street Four-Point Approach® tied to an annual work plan and through a service request form submitted to NMMS. NMMS will work with the local governing body and the local organization to identify and apply for funding for planning and infrastructure/capital investments within the district identified as priority projects in adopted plans. Higher priority is given to those MainStreet projects on the Infrastructure Capital Improvement Plans; additional bonus points on competitive applications may also be considered.

III. Performance Requirements and Operating Standards

A. Requirements for Local MainStreet Organizations

Maintaining a Main Street America Affiliate or Accredited Program can lead to access to additional specialized technical support, incentive programs, and resources, and serves as a pre-requisite to apply for MainStreet Public Infrastructure funds and operations/project funding through NMMS Partners (MFA, NMFA, FundIt, and other federal, state and foundation grantors). Maintaining a Main Street America Accredited program also ensures access to scholarships and grants from the New Mexico Resiliency Alliance (NMRA) and its funding partners.

New Mexico MainStreet maintains a digital dashboard (www.nmmainstreet.org/dashboard/login.php) to track annual compliance filings and monitor progress toward state certification and national accreditation. Local MainStreet organizations are responsible for uploading compliance and other required filings on an annual basis.

A local MainStreet organization designated by NMMS of the NMEDD must meet or exceed the following requirements to maintain its designation:

1. *MOU*: The organization has a fully executed Memorandum of Understanding with the Economic Development Department.
2. *Contract/MOU/LOA with Local Government Partner*: It is required that the local MainStreet organization have a separate annual contract for services with the municipality and/or county to do community economic development work within the designated district, outlining expectations of the municipality and clearly defined deliverables for its financial support of the local MainStreet organization. Failure to adopt such resolution of financial support, or to provide the operational resources to sustain the Public-Private Partnership may result in the suspension of the services provided by NMMS. The annual funding commitment required of the local government partner is described in Table 1 below.
4. The MainStreet organization is required to engage in fundraising and resource development activities needed to meet the minimum operational budget requirements for a Main Street America Program.
