

RESOLUTION NO. 2019-26

A RESOLUTION AUTHORIZING THE EXECUTION OF A CONTRACT BETWEEN THE TOWN AND UNIVERSAL WASTE SYSTEMS, LLC., FOR THE COLLECTION, TRANSPORT, AND DISPOSAL OF SOLID WASTE AND RECYCLABLES

WHEREAS, the Town Council finds that the continued operation by the Town for the collection, transport, and disposal of solid waste and recyclables within the Town will likely create undue burdens upon the finances and personnel of the Town; and

WHEREAS, after careful analysis of the matter by Town staff, and upon recommendation of the Town Manager, the Town Council finds that contracting with a third party for the collection, transport, and disposal of solid waste and recyclables within the Town will be economically advantageous to and in the best interests of the Town; and

WHEREAS, a draft contract has been circulated to and reviewed by the Town Council, and has been found to be appropriate for the purposes herein intended; and

WHEREAS, the contractor, Universal Waste Systems, LLC. is a New Mexico Limited Liability Company having its principal place of business in Rio Rancho, New Mexico, and represents that it is capable of performing the services described in the aforementioned contract; and

WHEREAS, the Town Council finds that the execution of the referenced contract is necessary for the health, safety, and welfare of the Town and its inhabitants;

NOW THEREFORE, BE IT RESOLVED that the Town Council of the Town of Silver City agrees to execute the referenced contract for the collection, transport, and disposal of solid waste and recyclables within the Town and does hereby authorize and direct the Town Manager to execute said contract and all other documents associated therewith.
