RE: Bid# 20/21-3 Visitors Center Pedestrian & Trailhead Improvements
NMDOT Highway Safety Improvements Program
Project# CN1101660

The town has received one bid for the above referenced project. Bids were received on December 22, 2020 @ 11:00 a.m. and opened shortly after at the office of Stantec, 3400 Hwy 180 E, Suite A. Silver City, NM 88061.

The following bids were received:

CONTRACTOR	BASE BID, ADDITIVE ALTERNATE #1 AND ADDITIVE ALTERNATE #2
Deming Electric, Inc	\$ 274,743.00

The sole bid for the project was received from Dement Electric, Inc., of Silver City NM. Unfortunately, their bid is considered as non-responsive since they were not listed on the December 2020 NMDOT Prequalified Contractors and Subcontractors List. This is a requirement for projects that contain NMDOT funding.

As a result it is staff's recommendation to reject the BID and request a time extension to the current Cooperative Project Agreement, to allow for a rebid of the project during the Spring of 2021.

Sincerely,

Vanessa Cardenas
