SECTION 10. APPROPRIATE BARGAINING UNITS.

A. The Labor Management Relations Board shall, upon receipt of a petition for a representation election filed by a labor organization, designate the appropriate bargaining unit. Occupational groups shall generally be identified as blue collar, secretarial clerical, technical, paraprofessional, professional, corrections, firefighters, and police officers. Department, craft, or trade designations other than as specified above shall not determine bargaining units. The parties, by mutual agreement and approval of the Board, may further consolidate occupational groups. The essential factors in determining appropriate bargaining units shall include the principles of efficient administration of government, the history of collective bargaining, and the assurance to employees of their rights guaranteed by the Ordinance.

B. If the labor organization and the employer cannot agree on the appropriate bargaining unit within thirty (30) days, the Labor Management Relations Board shall hold a hearing concerning the composition of the bargaining unit. Any agreement as to the appropriate bargaining unit between the employer and the labor organization is subject to the approval of the Labor Management Relations Board.

C. The Labor Management Relations Board shall not include in any appropriate bargaining unit, probationary, supervisory, managerial, or confidential employees.

D. Jobs included within a bargaining unit pursuant to a Town of Silver City labor management

relations ordinance in effect on January 1, 2020, shall remain in that bargaining unit after enactment of this ordinance unless otherwise removed by the Labor Management Relations Board in accordance with its rules governing unit clarification.

SECTION 11. ELECTIONS.

A. Whenever, in accordance with rules prescribed by the Labor Management Relations Board, a petition is filed by a labor organization containing the signatures of at least thirty percent of the public employees in an appropriate bargaining unit, the board or local board shall conduct a secret ballot representation election to determine whether and by which labor organization the public employees in the appropriate bargaining unit shall be represented. Upon acceptance of a valid petition, the Labor Management Relations Board shall require the Town of Silver City to provide the labor organization within ten business days the names, job titles, work locations, home addresses, personal email addresses and home or cellular telephone numbers of any public employee in the proposed bargaining unit. This information shall be kept confidential by the labor organization and its employees or officers. The ballot shall contain the name of any labor organization submitting a petition containing signatures of at least thirty percent of the public employees in the appropriate bargaining unit. The ballot shall also contain a provision allowing public employees to indicate whether they do not desire to be represented by a labor organization. An election shall only be valid if forty percent of the eligible employees in the bargaining unit vote in the election.

B. Once a labor organization has filed a valid petition calling for a representation election, other labor organizations may seek to be placed on the ballot. Such an organization shall file a petition containing the signatures of not less than thirty percent of the public employees in the appropriate bargaining unit no later than ten days after the Labor Management Relations Board

and the public employer post a written notice that the petition in Subsection A of this section has been filed by a labor organization.

C. As an alternative to the provisions of Subsection A of this section, a labor organization with a reasonable basis for claiming to represent a majority of the employees in an appropriate bargaining unit may submit authorization cards from a majority of the employees in an appropriate bargaining unit to the Labor Management Relations Board, which shall, upon verification that a majority of the employees in the appropriate bargaining unit have signed valid authorization cards, certify the labor organization as the exclusive representative of all public employees in the appropriate bargaining unit. The employer may challenge the verification of the Labor Management Relations Board; the Labor Management Relations Board shall hold a fact-finding hearing on the challenge to confirm that a majority of the employees in the appropriate bargaining unit have signed valid authorization cards.

D. If a labor organization receives a majority of votes cast, it shall be certified as the exclusive representative of all public employees in the appropriate bargaining unit. Within fifteen days of an election in which no labor organization receives a majority of the votes cast, a runoff election between the two choices receiving the largest number of votes cast shall be conducted. The Labor Management Relations Board shall certify the results of the election, and, when a labor organization receives a majority of the votes cast, the Labor Management Relations Board shall certify the labor organization as the exclusive representative of all public employees in the appropriate bargaining unit.

E. An election shall not be conducted if an election or runoff election has been conducted in the twelve-month period immediately preceding the proposed representation election. An election shall not be held during the term of an existing collective bargaining agreement, except as provided

in Section 13 herein.

SECTION 12. EXCLUSIVE REPRESENTATION.

A. A labor organization that has been certified by the Labor Management Relations Board as representing the public employees in the appropriate bargaining unit shall be the exclusive representative of all public employees in the appropriate bargaining unit. The exclusive representative shall act for all public employees in the appropriate bargaining unit and negotiate a collective bargaining agreement covering all public employees in the appropriate bargaining unit. The exclusive representative shall represent the interests of all public employees in the appropriate bargaining unit without discrimination or regard to membership in the labor organization. A claim by a public employee that the exclusive representative has violated this duty of fair representation shall be forever barred if not brought within six months of the date on which the public employee knew, or reasonably should have known, of the violation.

B. This section does not prevent a public employee, acting individually, from presenting a grievance without the intervention of the exclusive representative. At a hearing on a grievance brought by a public employee individually, the exclusive representative shall be afforded the opportunity to be present and make its views known. An adjustment made shall not be inconsistent with or in violation of the collective bargaining agreement then in effect between the public employer and the exclusive representative.

C. The Town of Silver City shall provide an exclusive representative of an appropriate bargaining unit reasonable access to employees within the bargaining unit, including the following:

(1) for purposes of newly hired employees in the bargaining unit, reasonable access includes:

(a) the right to meet with new employees, without loss of employee

compensation or leave benefits; and

(b) the right to meet with new employees within thirty days from the date of hire for a period of at least thirty minutes but not more than one hundred twenty minutes, during new employee orientation or, if the public employer does not conduct new employee orientations, at individual or group meetings; and;

(2) for purposes of employees in the bargaining unit who are not new employees, reasonable access includes:

(a) the right to meet with employees during the employees' regular work hours at the employees' regular work location to investigate and discuss grievances, workplace-related complaints and other matters relating to employment relations; and

(b) the right to conduct meetings at the employees' regular work location before or after the employees' regular work hours, during meal periods and during any other break periods.

D. The Town of Silver City shall permit an exclusive representative to use the public employer's facilities or property, whether owned or leased by the employer, for purposes of conducting meetings with the represented employees in the bargaining unit. An exclusive representative may hold the meetings described in this section at a time and place set by the exclusive representative. The exclusive representative shall have the right to conduct the meetings without undue interference and may establish reasonable rules regarding appropriate conduct for meeting attendees.

E. The meetings described in this section shall not interfere with Town of Silver City's operations.

F. If the Town of Silver City has the information in its records, the Town of Silver City shall provide to the exclusive representative, in an editable digital file format agreed to by the exclusive representative, the following information for each employee in an appropriate bargaining unit:

- (1) the employee's name and date of hire;
- (2) contact information, including:
 - (a) cellular, home and work telephone numbers;
 - (b) a means of electronic communication, including work and personal electronic mail addresses; and
 - (c) home address or personal mailing address; and;
- (3) employment information, including the employee's job title, salary and work site location.

G. The Town of Silver City shall provide the information described in Subsection F of this section to the exclusive representative within ten days from the date of hire for newly hired employees in an appropriate bargaining unit, and every one hundred twenty days for employees in the bargaining unit who are not newly hired employees. The information shall be kept confidential by the labor organization and its employees or officers. Apart from the disclosure required by this subsection, and notwithstanding any provision contained in the Inspection of Public Records Act, the public employer shall not disclose the information described in Subsection F of this section, or public employees' dates of birth or social security numbers to a third party.

H. An exclusive representative shall have the right to use the electronic mail systems or other similar communication systems of a public employer to communicate with the employees in the bargaining unit regarding:

- (1) collective bargaining, including the administration of collective bargaining

agreements;

(2) the investigation of grievances or other disputes relating to employment relations;

and

(3) matters involving the governance or business of the labor organization.

I. Nothing in this section prevents the Town of Silver City from providing an exclusive representative access to employees within the bargaining unit beyond the reasonable access required under this section or limits any existing right of a labor organization to communicate with public employees.

SECTION 13. DECERTIFICATION OF EXCLUSIVE REPRESENTATIVE.

A. A member of a labor organization or the labor organization itself may initiate decertification of a labor organization as the exclusive representative if thirty percent of the public employees in the appropriate bargaining unit make a written request to the board for a decertification election. Decertification elections shall be held in a manner prescribed by rule of the board. An election shall only be valid if forty percent of the eligible employees in the bargaining unit vote in the election.

B. When there is a collective bargaining agreement in effect, a request for a decertification election shall be made to the board no earlier than ninety days and no later than sixty days before the expiration of the collective bargaining agreement; provided, however, a request for an election may be filed at any time after the expiration of the third year of a collective bargaining agreement with a term of more than three years.

C. When, within the time period prescribed in Subsection B of this section, a competing labor organization files a petition containing signatures of at least thirty percent of the public employees in the appropriate bargaining unit, a representation election rather than a decertification election

shall be conducted.

D. When an exclusive representative has been certified but no collective bargaining agreement is in effect, the board shall not accept a request for a decertification election or an election sought by a competing labor organization earlier than twelve months subsequent to a labor organization's certification as the exclusive representative.

SECTION 14. SCOPE OF BARGAINING.

A. Except for retirement programs provided pursuant to the Public Employees Retirement Act public employers and exclusive representatives:

(1) shall bargain in good faith on wages, hours and all other terms and conditions of employment and other issues agreed to by the parties; However, neither the public employer nor the exclusive representative shall be required to agree to a proposal or to make a concession; and

(2) shall enter into written collective bargaining agreements covering employment relations.

B. Entering into a collective bargaining agreement shall not obviate the duty to bargain in good faith during the term of the collective bargaining agreement regarding changes to wages, hours and all other terms and conditions of employment, unless it can be demonstrated that the parties clearly and unmistakably waived the right to bargain regarding those subjects. However, no party may be required, by this provision, to renegotiate the existing terms of collective bargaining agreements already in place.

C. In regard to the Public Employees Retirement Act, the Town of Silver City, in a written collective bargaining agreement may agree to assume any portion of a public employee's contribution obligation to retirement programs provided pursuant to the Public Employees

Retirement Act. Such agreements are subject to the limitations set forth in this section.

D. The obligation to bargain collectively shall not be construed as authorizing the Town of Silver City and an exclusive representative to enter into an agreement that is in conflict with the provisions of any other statute of this state; provided, however, that a collective bargaining agreement that provides greater rights, remedies and procedures to public employees than contained in a state statute shall not be considered to be in conflict with that state statute. In the event of an actual conflict between the provisions of any other statute of this state and an agreement entered into by the public employer and the exclusive representative in collective bargaining, the statutes of this state shall prevail.

E. Payroll deduction of the exclusive representative's membership dues shall be a mandatory subject of bargaining if either party chooses to negotiate the issue. The amount of dues shall be certified in writing by an official of the labor organization and shall not include special assessments, penalties or fines of any type. The Town of Silver City shall honor payroll deductions until the authorization is revoked in writing by the public employee in accordance with the negotiated agreement and this subsection and for so long as the labor organization is certified as the exclusive representative. Public employees who have authorized the payroll deduction of dues to a labor organization may revoke that authorization by providing written notice to their labor organization during a window period not to exceed ten days per year for each employee. The Town of Silver City and the labor organization shall negotiate when the commencement of that period will begin annually for each employee. If no agreement is reached, the period shall be during the ten days following the anniversary date of each employee's employment. Within ten days of receipt of notice from a public employee of revocation of authorization for the payroll deduction of dues, the labor organization shall provide notice to the public employer of a public

employee's revocation of that authorization. A public employee's notice of revocation for the payroll deduction of dues shall be effective on the thirtieth day after the notice provided to the public employer by the labor organization. No authorized payroll deduction of dues held by the Town of Silver City or a labor organization on July 1, 2020 shall be rendered invalid by this provision and shall remain valid until replaced or revoked by the public employee. During the time that a board certification is in effect for a particular appropriate bargaining unit, the public employer shall not deduct dues for any other labor organization.

F. The Town of Silver City and a labor organization, or their employees or agents, are not liable for, and have a complete defense to, any claims or actions under the law of this state for requiring, deducting, receiving or retaining fair share dues or fees from public employees, and current or former public employees do not have standing to pursue these claims or actions if the fair share dues or fees were permitted at the time under the laws of this state then in force and paid, through payroll deduction or otherwise, on or before June 27, 2018. This subsection:

- (1) applies to all claims and actions pending on July 1, 2020 and to claims and actions filed on or after July 1, 2020; and
- (2) shall not be interpreted to infer that any relief made unavailable by this section would otherwise be available.

G. An impasse resolution or an agreement provision by the Town of Silver City and an exclusive representative that requires the expenditure of funds shall be contingent upon the specific appropriation of funds by the appropriate governing body and the availability of funds. An arbitration decision shall not require the re-appropriation of funds.

H. An agreement shall include a grievance procedure to be used for the settlement of disputes pertaining to employment terms and conditions and related personnel matters. The grievance

procedure shall provide for a final and binding determination. The final determination shall constitute an arbitration award within the meaning of the Uniform Arbitration Act; such award shall be subject to judicial review pursuant to the standard set forth in the Uniform Arbitration Act. The costs of an arbitration proceeding conducted pursuant to this subsection shall be shared equally by the parties.

I. The following meetings shall be closed:

- (1) meetings for the discussion of bargaining strategy preliminary to collective bargaining negotiations between the Town of Silver City and the exclusive representative of the public employees of the Town of Silver City;
- (2) collective bargaining sessions; and
- (3) consultations and impasse resolution procedures at which the public employer and the exclusive representative of the appropriate bargaining unit are present.

SECTION 15. IMPASSE RESOLUTION.

A. The following impasse procedures shall be followed by the Town of Silver City and exclusive representatives:

- (1) if an impasse occurs, either party may request from the Labor Management Relations Board that a mediator be assigned to the negotiations unless the parties can agree on a mediator. A mediator with the federal mediation and conciliation service shall be assigned by the Labor Management Relations Board to assist negotiations unless the parties agree to another mediator; and
- (2) if the impasse continues after a thirty-day mediation period, either party may request a list of seven arbitrators from the federal mediation and conciliation service. One arbitrator shall be chosen by the parties by alternately striking names from such list. Who

strikes first shall be determined by a coin toss. The arbitrator shall render a final, binding, written decision resolving unresolved issues pursuant to Section 14 of this Ordinance and the Uniform Arbitration Act no later than thirty days after the arbitrator has been notified of selection by the parties. The arbitrator's decision shall be limited to a selection of one of the two parties' complete, last, best offer. The costs of an arbitrator and the arbitrator's related costs conducted pursuant to this subsection shall be shared equally by the parties. Each party shall be responsible for bearing the cost of presenting its case. The decision shall be subject to judicial review pursuant to the standard set forth in the Uniform Arbitration Act.

B. The Town of Silver City may enter into a written agreement with the exclusive representative setting forth an alternative impasse resolution procedure.

C. In the event that an impasse continues after the expiration of a contract, the existing contract will continue in full force and effect until it is replaced by a subsequent written agreement. However, this shall not require Town of Silver City to increase any employees' levels, steps or grades of compensation contained in the existing contract.

SECTION 16. EMPLOYERS – PROHIBITED PRACTICES.

The Town of Silver City or its representative shall not:

A. Discriminate against an employee with regard to terms and conditions of employment because of the employee's membership in a labor organization;

B. Interfere with, restrain, or coerce any employee in the exercise of any right guaranteed under the Labor Management Relations Resolution or use public funds to influence the decision of its employees or the employees of its subcontractors regarding whether to support or oppose a labor organization that represents or seeks to represent those employees, or whether to become a

member of any labor organization; provided, however, that this subsection does not apply to activities performed or expenses incurred:

- D. Discriminate in regard to hiring, tenure or a term or condition of employment in order to encourage or discourage membership in a labor organization;
- E. Discharge or otherwise discriminate against a public employee because the employee has signed or filed an affidavit, petition, grievance or complaint or given information or testimony pursuant to the provisions of this Ordinance or because a public employee is forming, joining or choosing to be represented by a labor organization;
- F. Refuse to bargain collectively in good faith with the exclusive representative;
- G. Refuse or fail to comply with a provision of this Ordinance or board rule;
- H. Refuse or fail to comply with a collective bargaining agreement; or

I. Negotiate issues which are the subject of negotiations or make any offer, commitment, or promise whatsoever to employees or the exclusive representative, other than through the appointed negotiating team. It is the intent of this language that the integrity of the negotiating process be maintained. All negotiations and concessions shall occur only between the respective appointed negotiating teams.

SECTION 17. EMPLOYEES – LABOR ORGANIZATIONS – PROHIBITED PRACTICES.

A. An employee, a labor organization, or its representative shall not:

- 1) Discriminate against an employee with regard to labor organization membership because of race, color, religion, creed, age, disability, sex, or national origin;

It is the intent of this language that the integrity of the negotiating process be maintained. All negotiations and concessions shall occur only between the respective appointed negotiating teams.

SECTION 18. STRIKES AND LOCKOUTS PROHIBITED.

A. No employee or labor organization shall engage in a strike. No labor organization shall cause, instigate, encourage, or support a strike. The employer shall not cause, instigate or engage in an employee lockout.

B. The employer may apply to the district court for injunctive relief to end a strike, and an exclusive representative of public employees affected by a lockout may apply to the district court for injunctive relief to end a lockout.

C. The Labor Management Relations Board, upon a clear and convincing showing of proof at a hearing that a labor organization directly caused or instigated an employee strike, may impose appropriate penalties on that labor organization, up to and including decertification of the labor organization with respect to any of its bargaining units which struck as a result of such causation or instigation. A strike means an employee's refusal, in concerted action with other employees, to report for duty or his willful absence or withholding of service in whole or in part from the full, faithful, and proper performance of the duties of employment for the purpose of inducing, influencing, or coercing a change in the working conditions, compensation, rights, privileges, or obligations of employment.

SECTION 19. AGREEMENTS VALID – ENFORCEMENT.

All collective bargaining agreements and other agreements between the employer and exclusive representative are valid and enforceable according to their terms when entered into in accordance
