Section 4.2 Investment of Borrower/Grantee's Accounts. Money on deposit in the Borrower/Grantee's accounts created hereunder and held by the Finance Authority may be invested by the Finance Authority for the credit of the Fund.

Section 4.3 Loan/Grant Amount Does Not Exceed Total Cost. The sum of the Grant Amount, the Loan Amount, and the Local Match (and as set forth on the Term Sheet) does not exceed the cost of the Project, which, along with other moneys reasonably expected to be available to the Borrower/Grantee, is sufficient to complete the Project.

Section 4.4 Final Requisition. The Final Requisition shall be submitted by the Borrower/Grantee within the Interim Period. The Interim Period may be extended only as approved in writing by an Authorized Officer of the Finance Authority, based on the Borrower/Grantee's demonstration, to the reasonable satisfaction of the Authorized Officer of the Finance Authority, that unanticipated circumstances resulted in delaying the acquisition and completion of the Project, and submission of the Borrower/Grantee's Final Requisition.

ARTICLE V LOAN/GRANT AMOUNT DISBURSEMENT CONDITIONS

Section 5.1 Conditions Precedent to Disbursement of Loan/Grant Amount. Prior to the payment of any requisition of the Loan/Grant Amount or any portion thereof by the Finance Authority from the Fund, the following conditions shall be satisfied:

(a) The Finance Authority shall have determined that the Borrower/Grantee has met the Conditions established for the Loan/Grant; and

(b) Prior to disbursement of any portion of the Loan/Grant Amount for planning and design, the Borrower/Grantee shall have provided written assurance addressed to the Finance Authority and signed by an attorney (or shall have provided a title insurance policy) that the Borrower/Grantee has proper title to or easements, rights of way, or permits on the real property upon or through which the planning and design phase is to be conducted, or if acquisition and completion of the Project does not require physical or visual access to existing lands or facilities, the Borrower/Grantee shall have provided written assurance addressed to the Finance Authority and signed by an attorney certifying that no title to, easements, rights of way, or permits are necessary to acquire and complete the Project; and

(c) Prior to disbursement of any portion of the Loan/Grant Amount for installation or construction, the plans and specifications for the Project shall have been approved by all entities required by the CIB or the Finance Authority in their sole discretion to approve such plans and specifications and the Borrower/Grantee shall have provided written assurance addressed to the Finance Authority and signed by an attorney (or shall have provided a title insurance policy) that the Borrower/Grantee has proper title to or easements, rights of way, or permits on the real property upon or through which the Project is to be installed, constructed, located, completed or extended; and

(d) If any portion of the Project will be installed, constructed, located, completed or extended on real property owned by a Qualified Entity (as defined by the Act) other than the Borrower/Grantee, the Borrower/Grantee shall have provided written assurance addressed to the Finance Authority and signed by an attorney (or shall have provided a title insurance policy) that such other Qualified Entity has proper title to such real property; and

(e) The Borrower/Grantee shall be in compliance with the provisions of this Agreement; and

(f) No Event of Default has occurred; and

(g) The Borrower/Grantee shall have provided any other information requested by the Finance Authority in its absolute discretion including documentation sufficient to make a determination whether any requested disbursement is for payment of Eligible Items and is fully consistent with the Act, the Board Rules, and the Policies, as applicable.

Section 5.2 Accounting for Amounts Credited to the Project Account. So long as Section 5.1 has been complied with and all Conditions to the disbursement of the Loan/Grant Amount have been satisfied (including approval of all plans and specifications), upon receipt by the Finance Authority of a requisition substantially in the form of Exhibit “B” attached hereto signed by an Authorized Officer of the Borrower/Grantee, supported by certification by the Borrower/Grantee’s project architect, engineer, or such other authorized representative of the Borrower/Grantee that the amount of the disbursement request represents the progress of design, installation, construction, acquisition or other Project-related activities accomplished as of the date of the disbursement request, the Finance Authority shall seek funds sufficient to satisfy the request and, upon receipt of those funds disburse from the Fund, amounts which together are sufficient to pay the requisition in full or that portion approved by the Finance Authority in its sole discretion. The certification provided pursuant to this Section 5.2 in support of the requisition must be acceptable in form and substance to the Finance Authority. The Borrower/Grantee shall provide such records or access to the Project as the Finance Authority, and, at its request, the CIB, in the discretion of each, may request in connection with the approval of the Borrower/Grantee’s requisition requests made hereunder.

Section 5.3 Acknowledgment and Non-liability for Funding Interruption. The Borrower/Grantee hereby acknowledges that the Finance Authority and the CIB may be required to seek or request funds to satisfy the request outlined in Section 5.2 from an agency, instrumentality or other Political Subdivision of the State and that the Finance Authority and the CIB may have no control or authority over those entities. The Borrower/Grantee hereby agrees to waive on behalf of itself and indemnify and hold the Finance Authority and the CIB harmless from any and all third party claims, liability or damage that may or could be caused as a result of a delay or denial of funds related to or arising from the procedure described above or any other mechanism necessary or required to request, secure or process funds.

Section 5.4 No Disbursement for Prior Expenditures Except upon Approval. No disbursement shall be made from the Fund, of the Loan/Grant Amount, or any portion thereof, without the approval of the Finance Authority to reimburse any expenditure made prior to the approval date of the award by the Finance Authority Board.

Section 5.5 Completion of Disbursement of Loan/Grant Funds. Upon completion of the Project an Authorized Officer of the Borrower/Grantee shall deliver a certificate to the Finance Authority, substantially in the form of Exhibit “E” attached hereto, stating that, to his or her knowledge, that the Project has been completed. No portion of the Loan/Grant Amount shall be disbursed after the expiration of the Interim Period.

Section 5.6 Application of Project Account Subsequent to Disbursement of Loan/Grant Amount; Termination of Pledge. Upon the first to occur of either (a) completion of the disbursement of the Loan/Grant Amount as signified by delivery of the completion certificate contemplated in Section 5.5 hereof; or (b) the earlier expiration of the time allowed for disbursements of Loan/Grant funds as provided in Section 5.5 hereof, the Finance Authority shall transfer the amounts remaining on deposit in the Project Account, if any, to such other fund permitted by law. Upon such entry, the pledge of the Project Account, if any, established in this Agreement shall terminate.

ARTICLE VI LOAN PAYMENTS BY THE BORROWER/GRANTEE

Section 6.1 Loan to the Borrower/Grantee; Payment Obligations Limited to Pledged Revenues; Pledge of Pledged Revenues. The Finance Authority hereby lends to the Borrower/Grantee and the Borrower/Grantee hereby borrows from the Finance Authority an amount not to exceed the Loan Amount. The Borrower/Grantee promises to pay, but solely from the sources pledged herein, the Loan Payments and other amounts owed by the Borrower/Grantee as herein provided. Subject to any outstanding Parity Obligations and Senior Obligations, the Borrower/Grantee does hereby grant a lien on and a security interest in and does hereby convey, assign and pledge unto the Finance Authority and unto its successors in trust forever all right, title and interest of the Borrower/Grantee in and to (i) the Pledged Revenues to the extent required to pay the Loan Payments, and other amounts owed by the Borrower/Grantee as herein provided, subject to and subordinate to all other pledges of the Pledged Revenues existing on the Closing Date and, further, that may exist in the future (except only that the pledge of the Pledged Revenues herein shall be on a parity with any other pledge of the Pledged Revenues by the Borrower/Grantee to repay any obligations issued by the Finance Authority pursuant to the Act or the Water Project Finance Act); (ii) the Loan/Grant Amount including the Project Account; and (iii) all other rights hereinafter granted, for the securing of the Borrower/Grantee's obligations under this Agreement, including payment of the Loan Payments and other amounts owed by the Borrower/Grantee as herein provided, however, that if the Borrower/Grantee, its successors or assigns, shall pay, or cause to be paid, all Loan Payments at the time and in the manner contemplated by this Agreement, and shall pay all other amounts due or to become due under this Agreement in accordance with its terms and provisions then, upon such final payment, this Agreement and the rights created thereby shall terminate; otherwise, this Agreement shall remain in full force and effect.

The schedule of Loan Payments, assuming the disbursal of the entire Loan/Grant Amount within twenty-four (24) months after the Closing Date, identified as the Interim Debt Service Schedule, is attached to this Agreement as Exhibit "C". Within thirty (30) days after the Final Requisition is made, the Finance Authority shall provide a Final Debt Service Schedule, reflecting the amount of the Loan/Grant Amount actually disbursed to the Borrower/Grantee pursuant to this Agreement. Such Final Debt Service Schedule shall supersede the schedule attached hereto as Exhibit "C".

The pledge of the Pledged Revenues and the lien thereon shall be effective upon the Closing Date. The Borrower/Grantee and the Finance Authority acknowledge and agree that the obligations of the Borrower/Grantee hereunder are limited to the Pledged Revenues; and that this Agreement with respect to the Loan Amount and other amounts owed by the Borrower/Grantee as

herein provided, and that the Agreement shall constitute a special, limited obligation of the Borrower/Grantee. No provision of this Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Borrower/Grantee or the State within the meaning of any constitutional or statutory debt limitation. No provision of this Agreement shall be construed to pledge or to create a lien on any class or source of Borrower/Grantee moneys other than the Pledged Revenues, nor shall any provision of this Agreement restrict the future issuance of any bonds or obligations payable from any class or source of Borrower/Grantee moneys other than the Pledged Revenues. In addition, to the extent not required for the payment of obligations of the Borrower/Grantee hereunder, the Pledged Revenues may be utilized by the Borrower/Grantee for any other purposes permitted by law.

Section 6.2 Deposit of Payments of Loan Amount to Colonias Infrastructure Project Fund. All Loan Payments made by the Borrower/Grantee to the Finance Authority to repay the Loan Amount and interest thereon, if any, shall be deposited into the Colonias Infrastructure Project Fund.

Section 6.3 Manner of Payment. The Loan Amount shall be payable by the Borrower/Grantee to the Finance Authority in annual installments of principal payable on June 1 after expiration of the Interim Period and continuing through the expiration of the last Loan Payment due as outlined in the Final Debt Service Schedule. All payments of the Borrower/Grantee hereunder shall be paid in lawful money of the United States of America to the Finance Authority at the address designated in Section 10.1 of this Agreement. The obligation of the Borrower/Grantee to make payments hereunder, from and to the extent of the available Pledged Revenues, shall be absolute and unconditional in all events, except as expressly provided hereunder. Notwithstanding any dispute between the Borrower/Grantee and the Finance Authority, any vendor or any other person, the Borrower/Grantee shall make all deposits hereunder, from and to the extent of the available Pledged Revenues, when due and shall not withhold any deposit hereunder pending final resolution of such dispute, nor shall the Borrower/Grantee assert any right of set-off or counterclaim against its obligation to make such deposits required hereunder.

Section 6.4 Borrower/Grantee May Budget for Payments. The Borrower/Grantee may, in its sole discretion, but without obligation and subject to the Constitution of the State, governing laws, and its budgetary requirements, make available properly budgeted and legally available funds to make the Loan Payments and other amounts owed by the Borrower/Grantee hereunder; provided, however, the Borrower/Grantee has not covenanted and cannot covenant to make such funds available and has not pledged any of such funds for such purpose.

Section 6.5 Finance Authority's Release of Lien and Further Assurances. Upon payment in full of the Loan Amount and other amounts owed by the Borrower/Grantee as herein provided in this Agreement and upon written request from the Borrower/Grantee, the Finance Authority agrees to execute a release of lien and to give such further assurances as are reasonably necessary to ensure that the Finance Authority no longer holds or maintains any lien or claim against the Pledged Revenues.

ARTICLE VII ADMINISTRATION

Section 7.1 Borrower/Grantee Reporting to the Finance Authority. The Borrower/Grantee shall provide the Finance Authority with a quarterly written report substantially in the form of Exhibit "D" attached hereto, or other report format as designated by the Finance Authority, and signed by an Authorized Officer of the Borrower/Grantee. The first quarterly report shall be due on June 30, 2023, and subsequent reports shall be due on each March 31, June 30, September 30 and December 31 thereafter until the report date next following final distribution of the Loan/Grant funds. Section 7.2 Application of Project Account Subsequent to Disbursement of Loan/Grant Funds. Upon the completion of the Project as signified by delivery of the completion certificate required by Section 5.5 hereof, the Finance Authority shall determine, by reference to the Project Account, if any, whether any portion of the authorized Loan/Grant Amount remains unexpended. If any of the Loan/Grant Amount remains unexpended, the funds shall be transferred by the Finance Authority to the appropriate account or fund in accordance with applicable law and the Borrower/Grantee shall have no right to access the funds.

Section 7.3 Further Assurances and Corrective Instruments. The Finance Authority and the Borrower/Grantee agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Project or of the Pledged Revenues and carrying out the intention hereof.

Section 7.4 Representatives of the Finance Authority or of Borrower/Grantee. Whenever under the provisions hereof the approval of the Finance Authority or the Borrower/Grantee is required, or the Borrower/Grantee, or the Finance Authority is required to take some action at the request of any of them, such approval or such request shall be given for the Finance Authority or for the Borrower/Grantee, by an Authorized Officer of the Finance Authority or the Borrower/Grantee, as the case may be, and any party hereto shall be authorized to act on any such approval or request.

Section 7.5 Selection of Contractors. All contractors providing services or materials in connection with the Project shall be selected in accordance with applicable provisions of the New Mexico Procurement Code, NMSA 1978, §§ 13-1-28 through 13-1-199, as amended, or, if the Borrower/Grantee is not subject to the New Mexico Procurement Code, shall be selected in accordance with a documented procurement process duly authorized and established pursuant to laws and regulations applicable to the Borrower/Grantee.

Section 7.6 Required Contract Provisions. The Borrower/Grantee shall require the following provisions in any contract or subcontract executed in connection with the Project to which the Borrower/Grantee is a party:

(a) There shall be no discrimination against any employee or applicant for employment because of race, color, creed, sex, religion, sexual preference, ancestry or national origin;

(b) Any contractor or subcontractor providing construction services in connection with the Project shall post a performance and payment bond in accordance with the requirements of NMSA 1978, § 13-4-18, as amended; and

(c) Any contractor or subcontractor providing construction services in connection with the Project shall comply with the prevailing wage laws in accordance with the requirements of NMSA 1978, § 13-4-11, as amended.

Section 7.7 Little Miller Act. To the extent NMSA 1978, § 13-4-1 et seq., (the “Little Miller Act”) is applicable to the Project, the Borrower/Grantee shall comply with the requirements of the “Little Miller Act”. If bonding requirements of the Little Miller Act are not applicable to the Project, the Borrower/Grantee will require that the contractor to whom is given any contract for construction appertaining to the Project supply a performance bond or bonds satisfactory to the Borrower/Grantee. Any sum or sums derived from said performance bond or bonds shall be used within six (6) months after such receipt for the completion of said construction, and if not so used within such period, shall be treated as Gross Revenues.

ARTICLE VIII INSURANCE; NON-LIABILITY OF THE FINANCE AUTHORITY

Section 8.1 Insurance. The Borrower/Grantee shall carry general liability insurance or participate in the State’s risk-management program and, to the extent allowed by the New Mexico Tort Claims Act, NMSA 1978, §§ 41-4-1 through 41-4-30, as amended, shall and hereby agrees to name the Finance Authority as additional insureds with respect to all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the acquisition, completion or implementation of the Project or otherwise during the Agreement Term; provided, that if any portion of the Project will be constructed, located, completed or extended on real property owned by a Qualified Entity (as defined by the Act) other than the Borrower/Grantee, the Borrower/Grantee may obtain the written agreement of such other Qualified Entity to perform these insurance/risk-management program requirements for Borrower/Grantee with respect to such real property (and the portion of the Project to be constructed, located, completed or extended on such real property), which written agreement shall include an express statement by such other Qualified Entity that the Finance Authority is a third party beneficiary of such written agreement.

Section 8.2 Non-Liability of the Finance Authority and the CIB.

(a) The Finance Authority and the CIB shall not be liable in any manner for the Project, Borrower/Grantee’s use of the Loan/Grant, the acquisition, implementation, construction, installation, ownership, operation or maintenance of the Project, or any failure to act properly by the Borrower/Grantee or any other owner or operator of the Project.

(b) The Finance Authority and the CIB shall not be liable for the refusal or failure of any other agency of the State to transfer any portion of the Loan/Grant Amount in its possession, custody and control to the Finance Authority for disbursement to the Borrower/Grantee, or to honor any request for such transfer or disbursement of the Loan/Grant Amount.

(c) To the extent permitted by law, the Borrower/Grantee shall and hereby agrees to indemnify and save the Finance Authority and the CIB harmless against and from all claims, by or on behalf of any person, firm, corporation, or other legal entity, arising from the acquisition or operation of the Project during the Agreement Term, from: (i) any act of negligence or other misconduct of the Borrower/Grantee, or breach of any covenant or warranty by the Borrower/Grantee hereunder; and (ii) the incurrence of any cost or expense in connection with the acquisition or operation of the Project in excess of the Loan/Grant Agreement proceeds and interest on the investment thereof. The Borrower/Grantee shall indemnify and save the Finance Authority and the CIB harmless, from and to the extent of the available Pledged Revenues, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the Finance Authority or the CIB, shall defend the Finance Authority or the CIB, as applicable, in any such action or proceeding.

ARTICLE IX EVENTS OF DEFAULT AND REMEDIES

Section 9.1 Events of Default Defined. Any one of the following shall be an “Event of Default” under this Agreement:

(a) Failure by the Borrower/Grantee to pay any amount required to be paid under this Agreement on the date on which it is due and payable; or

(b) Failure by the Borrower/Grantee to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the Borrower/Grantee by the Finance Authority, unless the Finance Authority shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Finance Authority but cannot be cured within the applicable thirty (30) day period, the Finance Authority will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Borrower/Grantee within the applicable period and diligently pursued until the failure is corrected; and provided, further, that if by reason of Force Majeure the Borrower/Grantee is unable to carry out the agreements on its part herein contained, the Borrower/Grantee shall not be deemed in default under this paragraph 9.1(b) during the continuance of such inability (but Force Majeure shall not excuse any other Event of Default); or

(c) Any warranty, representation or other statement by or on behalf of the Borrower/Grantee contained in this Agreement or in any instrument furnished in compliance with or in reference to this Agreement is determined to be false or misleading in any material respect in the sole discretion of the Finance Authority; or

(d) A petition is filed against the Borrower/Grantee under any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within thirty (30) days after such filing, but the Finance Authority shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests; or

(e) The Borrower/Grantee files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under any such law; or

(f) The Borrower/Grantee admits insolvency or bankruptcy or its inability to pay its debt as they become due or is generally not paying its debt as such debt become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including, without limitation, a receiver, liquidator or trustee) of the Borrower/Grantee for any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than thirty (30) days, but the Finance Authority shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests; or

(g) Default by the Borrower/Grantee in performance or observance of any covenant contained in any other loan agreement, document or instrument of any type whatsoever evidencing or securing obligations of the Borrower/Grantee to the Finance Authority.

Section 9.2 Limitations on Remedies. A judgment requiring payment of money entered against the Borrower/Grantee shall be paid only from available Pledged Revenues unless the Borrower/Grantee in its sole discretion pays the judgment from other available funds.

Section 9.3 Remedies on Default. Whenever any Event of Default has occurred and is continuing, and subject to Section 9.4 hereof, the Finance Authority may take whatever of the following actions may appear necessary or desirable to enforce performance of any agreement of the Borrower/Grantee in this Agreement:

(a) File a mandamus proceeding or other action or proceeding or suit at law or in equity to compel the Borrower/Grantee to perform or carry out its duties under the law and the agreements and covenants required to be performed by it contained herein;

(b) Terminate this Agreement;

(c) Cease disbursing any further amounts from the Project Account;

(d) Demand that the Borrower/Grantee immediately repay the Loan/Grant Amount or any portion thereof if such funds were not utilized in accordance with this Agreement;

(e) File a suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Finance Authority;

(f) Intervene in judicial proceedings that affect this Agreement or the Pledged Revenues;

(g) Cause the Borrower/Grantee to account as if it were the trustee of an express trust for all of the Pledged Revenues; or

(h) Take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due and thereafter to become due under this Agreement or to enforce any other of their rights hereunder.

The Borrower/Grantee shall be responsible for reimbursing the Finance Authority for any and all fees and costs incurred in enforcing the terms of this Agreement.

Section 9.4 No Remedy Exclusive. No remedy herein conferred upon or reserved to the Finance Authority is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Borrower/Grantee or the Finance Authority to exercise any remedy reserved in this Article IX, it shall not be necessary to give any notice, other than such notice as may be required in this Article IX.

Section 9.5 Waivers of Events of Default. The Finance Authority may, in its discretion, waive any Event of Default hereunder and the consequences of any such Event of Default; provided, however, all expenses of the Finance Authority in connection with such Event of Default shall have been paid or provided for. Such waiver shall be effective only if made by a written statement of waiver issued by the Finance Authority. In case of any such waiver or rescission, or in case any proceeding taken by the Finance Authority on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case, the Finance Authority shall be restored to its former position and rights hereunder, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 9.6 No Additional Waiver Implied by One Waiver. In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be in writing and limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 9.7 Agreement to Pay Attorneys' Fees and Expenses. In the event that the Borrower/Grantee shall default under any of the provisions hereof, and the Finance Authority shall employ attorneys or incur other expenses for the collection of payments hereunder, or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower/Grantee herein contained, the Borrower/Grantee agrees that it shall, on demand therefor, pay to the Finance Authority the fees of such attorneys and such other expenses so incurred, to the extent such attorneys' fees and expenses may be determined to be reasonable by a court of

competent jurisdiction; provided, however, that the obligation of the Borrower/Grantee under this Section shall be limited to expenditures from and to the extent of the available Pledged Revenues.
