1. CALL TO ORDER - Mayor Ladner called meeting to order at 6:00 p.m.

PLEDGE OF ALLEGIANCE AND SALUTE TO NEW MEXICO STATE FLAG - Mayor Ladner invited the public to recite the Pledge of Allegiance and Salute to the New Mexico State Flag.

Mayor Ladner welcomed the City Administration, Law Enforcement and members of the Press and community.

2. CHANGES TO AGENDA – Councilor Prince motioned to remove item 11B Approval / Disapproval of RESOLUTION 2023-04: A RESOLUTION TO SUPPORT NEW MEXICO LEGISLATIVE ACTION THAT ADVANCES AFFORDABLE CLEAN ENERGY.

under New Business Until February 14, 2023 Council Meeting. Councilor Farmer seconded the motion. Motion Carried unanimously.

3. CEREMONIES – NONE

4. PROCLAMATIONS – NONE

5. COUNCIL COMMENTS – Councilor Farmer stated he had a question from a constituent in regards to sidewalk repair and easement behind their home. Who is responsible for upkeep for the easement behind the home? Alex Brown advised per Ordinance the sidewalk is the responsibility of the home owner and the City for the upkeep, the easement behind the home if it is a Town right-of-way the Town will clean up the easement, most homes do not have easements behind their homes, but those that do they are privately owned and the town cannot work on them.

Councilor Cano stated she had spent some time at the Commons with a few of the staff members letting her know some of the activities they have going. One of the items they will be doing is placing a food stand at the schools so students will have access to fresh produce. They also have a community dinner every Friday from 5:00 pm to 7:00 pm and encourage people to join them so the community will get to know what they are doing and to get to know each other. They also expressed a very big thank you to the Town for the amount of support financially and other ways as well to the Police Department for their help

with traffic control on the days they are handing out food. Another concern are the trees from 12th Street to Corbin along the ditch, one has already fallen on their freezer and has destroyed it and they are afraid a tree might fall on someone or a house. Alex Brown advised Councilor Cano one tree had been mulched by the Fire Department and most of the property there is privately owned. Councilor Cano turned to Code Enforcement Officer Manny Jaure and asked if he would contact the homeowners. Mr. Jaure advised he would.

Councilor Ray thanked Alex Brown and Eric Sanchez for cleaning Cooper Street to the Cemetery.

Councilor Prince thanked the City staff and encouraged the public to reach out to their municipal, county and state legislators if they need help with funding or legislative issues.

6. APPROVAL OF MINUTES – January 10, 2023, Regular Meeting. Councilor Ray moved to approve the January 10, 2023, Minutes of the Regular Council Meeting of the Town of Silver City. Councilor Prince seconded. Motion carried unanimously.

7. PUBLIC INPUT – Rick Lass spoke in regards to the Local Choice Energy Act answering the questions brought up in the Work Session and advising there is a bill at the legislature; Senate Bill (SB) 165. Mr. Lass is working with a group called Public Power New Mexico that has been working on this legislation. What they are asking for is a letter of support for the concept that the Town would like to have municipalities, tribes and counties to have the ability to become Local Choice Energy providers and provide electricity to the residents or to sell any excess to sell on the open market to other communities. Both Bayard and Hurley Mayors and Councilors have expressed interest in doing it as a regional approach either with all municipalities in Grant County or the tri-county area. Mr. Lass did express if the Resolution is passed, the Town is not committed to become a Local Choice Energy Provider. He does recommend if interested to do a Joint Powers Agreement (JPA) with the County and the other three (3) municipalities. Mr. Lass expressed this would be a huge opportunity economically for the City and County to start generating their own money getting more revenue into the city and creating jobs. The government would be doing the project and there is three hundred and sixty billion dollars (360,000,000,000) in federal funding through the Inflation Reduction Act.

Anita Williams wanted to know who maintains the sidewalks on Highway Ninety (90) to Ridge Road. Alex Brown stated it was the State. Ms. Williams had concerns with derelict properties and homes. There has been vagrants move in some of the empty homes and would like to know if the owners could be held responsible for maintaining their properties. Mayor Ladner advised Ms. Williams the Code Enforcement officer would speak to her after the meeting.
