

Mayor and Council,

I spoke to Jyrome Cook on Wednesday May 3, 2023 on the status of the Facebook page. He has spoken to the past and present Directors of Main Street who has the Town of Silver City Facebook page. They were unable to locate who is the administrator or any credentials for the page. Mr. Cook advised me they will have to contact Facebook and have to prove we are the Town of Silver City or create a new page with a different name.

Thank you,

Alfred Sedillo
Town Clerk
