

Re: Modified Opening of Town Parks

May 1, 2020

Beginning today, May 1, 2020, the State of New Mexico is under an extended, yet modified, Public Health Order. This extension and modification is current through May 15, 2020.

Under this current Public Health Order the Scott Park Golf Course is open for golf only – no dine in or retail service.

Town of Silver City will be opening up its parks on a modified basis. This **excludes** facilities, such as restrooms and water fountains, as well as playground equipment. This is due to the fact that proper cleaning and sanitation of facilities and equipment cannot be accomplished properly between uses.

Penny Park will remain closed, in its entirety, at this time.

Please remember that social distancing is important when outside enjoying the parks and that gatherings or more than five individuals are prohibited under the current public health order.
